C. Towards a More Flexible View of Trust Management	50

V. Trust Lands Management Across the West	53
<i>Map of Trust Lands in the Western States</i>	53
A. State-by-State Comparisons	54
<i>Figure V(A)-1: State Trust Land Holdings</i>	54
<i>Figure V(A)-2: Gross Revenues from State Trust Lands</i>	55
<i>Figure V(A)-3: Estimated Revenue per Acre</i>	56
<i>Figure V(A)-4: Permanent Fund Balances</i>	57
<i>Figure V(A)-5: Annual Distributions to Beneficiaries</i>	58
<i>Table V(A): Distributions vs. Common School Budgets.....</i>	59
B. Trust Land Management in Arizona	61
<i>Map of Arizona Trust Lands</i>	61
1. Arizona's Land Grant	62
2. Enabling Act and Constitutional Requirements	62
3. Arizona's Trust Responsibility	63
4. Governance of Trust Lands in Arizona	64
5. Trust Land Management in Arizona	64
a. Surface Uses	64
b. Subsurface Uses	65
c. Land Sales and Other	66
<i>Table V(B): FY 2004 Revenues – Arizona State Land Department.....</i>	67
6. Trust Revenue Distribution in Arizona	68
7. Recent Developments and Emerging Issues in Arizona	69
a. The Arizona Preserve Initiative	69
b. Growing Smarter: 5-Year Disposition Planning	70
c. Challenges to Grazing Lease Preferences	71
d. Exchange Authority	72
e. Trust Land Reform	72
C. Trust Land Management in Colorado	75
<i>Map of Colorado Trust Lands</i>	75
1. Colorado's Land Grant	76
2. Enabling Act and Constitutional Requirements	76
3. Colorado's Trust Responsibility	77
4. Governance of Trust Lands in Colorado	78
5. Trust Land Management in Colorado	78
a. Surface Uses	79
b. Subsurface Uses	80
c. Land Sales and Other	80
d. Conservation Reserve	81
<i>Table V(C): FY 2003 Revenues – Colorado State Land Board.....</i>	83
6. Trust Revenue Distribution in Colorado	84
7. Recent Developments and Emerging Issues in Colorado	85
a. Lowry Range	85
b. Multiple Use Management Policy	85
c. Fiscal Impact Study Requirements	86
D. Endowment Land Management in Idaho	87
<i>Map of Idaho Trust Lands</i>	87
1. Idaho's Land Grant	88
2. Enabling Act and Constitutional Requirements	88
3. Idaho's Trust Responsibility	89
4. Governance of Endowment Lands in Idaho	89
5. Endowment Land Management in Idaho	90
a. Surface Uses	90
b. Subsurface Uses	92

c. Land Sales and Other	92
<i>Table V(D): FY 2004 Revenues – Idaho Department of Lands</i>	93
6. Trust Revenue Distribution in Idaho	93
7. Recent Developments and Emerging Issues in Idaho	95
a. Western Watersheds Project	95
b. Educational Funding	95
c. Citizens Review Committee	95
d. Increased Timber Harvest	96
E. Trust Land Management in Montana	97
<i>Map of Montana Trust Lands</i>	97
1. Montana’s Land Grant	98
2. Enabling Act and Constitutional Requirements	98
3. Montana’s Trust Responsibility	99
4. Governance of Trust Lands in Montana	99
5. Trust Land Management in Montana	100
a. Surface Uses	100
b. Subsurface Uses	101
c. Land Sales and Other	101
<i>Table V(E): FY 2004 Revenues – Montana DNRC Trust Lands</i> <i>Management Division</i>	103
6. Trust Revenue Distribution in Montana	103
7. Recent Developments and Emerging Issues in Montana	104
a. Real Estate Management Bureau Programmatic EIS	104
b. Whitefish Planning Process	106
c. Preference Rights Challenge	106
d. School Funding	107
e. Coal Tax Trust Loan	107
F. Trust Land Management in New Mexico	109
<i>Map of New Mexico Trust Lands</i>	109
1. New Mexico’s Land Grant	110
2. Enabling Act and Constitutional Requirements	110
3. New Mexico’s Trust Responsibility	111
4. Governance of Trust Lands in New Mexico	111
5. Trust Land Management in New Mexico	112
a. Surface Uses	112
b. Subsurface Uses	114
c. Land Sales and Other	115
<i>Table V(F): FY 2004 Revenues – New Mexico State Land Office</i>	116
6. Trust Revenue Distribution in New Mexico	116
7. Recent Developments and Emerging Issues in New Mexico	118
a. Development Opportunities on State Lands	118
b. Community Development Partnership Program.....	118
c. Outdoor Classroom Program	119
d. Statewide Biological Assessment	119
e. Don’t Trash the Trust Program	119
f. Wind Energy	120
G. Trust Land Management in Oregon	121
<i>Map of Oregon Trust Lands</i>	121
1. Oregon’s Land Grant	122
2. Admission Act and Constitutional Requirements	122
3. Oregon’s Trust Responsibility	123
4. Governance of Trust Lands in Oregon	123
5. Trust Land Management in Oregon	124
a. Surface Uses	125

b. Subsurface Uses	126
c. Land Sales and Other	127
<i>Table V(G): FY 2004 Revenues – Oregon Department of State Lands.....</i>	<i>128</i>
6. Trust Revenue Distribution in Oregon	128

c. Castle Valley Community Planning Process	143
d. School-Community Councils	143
e. Land Exchanges	144
I. Trust Land Management in Washington	145
<i>Map of Washington Trust Lands</i>	<i>145</i>
1. Washington’s Land Grant	146
2. Enabling Act and Constitutional Requirements	146
3. Washington’s Trust Responsibility	147
4. Governance of Trust Lands in Washington	147
5. Trust Land Management in Washington	148
a. Surface Uses	148
b. Subsurface Uses	150
c. Land Sales and Other	151
d. Multiple Use	152
<i>Table V(I): FY 2003 Revenues – Washington Department</i>	
<i>Of Natural Resources.....</i>	<i>153</i>
6. Trust Revenue Distribution in Washington	153
7. Recent Developments and Emerging Issues in Washington	155
a. Sustainable Forestry Plan	155
b. Recreation on State Trust Lands	155
c. Ecoregional Assessments	156
d. Upland Trust Review Committee	156
e. Lake Whatcom Landscape Management Plan	156
J. Trust Land Management in Wyoming	159
<i>Map of Wyoming Trust Lands</i>	<i>159</i>
1. Wyoming’s Land Grant	160
2. Enabling Act and Constitutional Requirements	160
3. Wyoming’s Trust Responsibility	160

4. Governance of Trust Lands in Wyoming	161
5. Trust Land Management in Wyoming	161
a. Surface Uses	162
b. Subsurface Uses	163
c. Land Sales and Other	164
<i>Table V(J): FY 2004 Revenues – Wyoming Office of</i>	
<i>State Lands and Investments</i>	165
6. Trust Revenue Distribution in Wyoming	165
7. Recent Developments and Emerging Issues in Wyoming	167
a. Total Asset Management Planning	167
b. Voluntary Conservation Easements	167
VI. Research and Policy Analysis: Opportunities for Improving	
Trust Lands Management	170
A. Total Asset Management	170
B. Planning and Information	171
1. Disposition Planning for Residential, Commercial, and Industrial Development.....	171
2. Regional Planning	173
3. Collaborative Planning	174
4. Biophysical Inventories	174
C. Disposition Tools	175
1. Land Tenure Adjustment	175
2. Joint Ventures and Participation Agreements	176
3. Conservation Mechanisms	177
4. Public Value Charges to Trust Lands	178
D. Institutional Assessment	178
1. Assessments of Institutional Capacity	178
2. Evaluation of Governance Models and Beneficiary Involvement	178
3. Trust Revenues and Education/Trust Management Funding	179
VI-1. Roundtable Participants	179
VII. Conclusion	180
