

Roberto Salmón

Mexican Commissioner, Mexico-United States International Boundary and Water Commission (IBWC)

Roberto Salmón Castelo, Mexican Commissioner, for the International Boundary and Water Commission (Comisión Internacional de Límites y Aguas, CILA), has a wide range of experience in hydraulic projects. He was Northwest Regional Manager of the National Water Commission (CONAGUA) from 2002 to 2006 and from then until 2008 he served as General Manager of the Northwest Basin Unit based in Hermosillo, Sonora. He also served as Treasurer of the University of Sonora, as well as Administrative Chairman of the Department of Business Administration of the same university. Additionally, Mr. Salmón Castelo was Planning and Special Projects Director for the Sonora Center for Research and Development in Natural Resources and has remained a partner in a variety of companies that carry out basin management projects and environmental studies. He has a Bachelor of Science in Agriculture from the University of Arizona, where he also received a Master of Science degree in the same field. Additionally, he is doing advanced studies in Water Resource Administration at the University of Arizona and is currently a candidate for a doctoral degree there.
