JOAN WAGNON, SECRETARY

KATHLEEN SEBELIUS, GOVERNOR

DEPARTMENT OF REVENUE
DIVISION OF PROPERTY VALUATION

Division of Property Valuation

March 2006

The Honorable Kathleen Sebelius, Governor
The Honorable Steve Morris, President of the Senate
The Honorable Doug Mays, Speaker of the House
Members of the 81st Legislature

Ladies and Gentlemen:

The Division of Property Valuation, Department of Revenue is pleased to submit the Statistical Report of Property Assessment and Taxation. This report provides information on the valuation, assessment, and tax of all counties statewide, taxing districts, motor carriers and public utilities.

If you have any questions about the report, please contact the division's abstract section at 785-296-2365.

DOCKING STATE OFFICE BUILDING, 915 SW HARRISON ST., ROOM 400, TOPEKA, KS 66612-1585
Voice 785-296-2365 Fax 785-296-2320 http://www.ksrevenue.org/

STATISTICAL REPORT ORDERING INFORMATION

The 2005 Statistical Report of Property Assessment and Taxation Report is now available on the Property Valuation web site. The address is: www.ksrevenue.org/pvdstatistics.htm.

There are a limited number of reports available from previous years at a cost of $20.00 each. Complete the information requested and mail to the Division of Property Valuation. Make checks payable to the Department of Revenue, Publication fee.

FOREWORD

The Statistical Report of Property Assessment and Taxation is published by the State Department of Revenue, Division of Property Valuation for the purpose of reporting information that pertains to assessment and tax. The report is divided into three sections.

The first section includes the statewide statistics with comparisons of 2004-2005 of:

- all tangible valuation and tax;
- ad valorem property tax;
- in lieu of ad valorem tax;
- special assessments;
- the locally collected motor vehicle tax;
- state collected motor carriers tax;
- the mortgage registration indebtedness;
- mortgage and heritage fees; and
- valuation of state assessed railroads and public utility companies for the years 2002-2005.

The second section includes county statistics of:

- mortgage registration, instruments filed, indebtedness and fees;
- neighborhood revitalization tax rebate;
- average county levies by rural, urban and total;
- motor vehicle valuation and tax pursuant to K.S.A. Chapter 79 Article 51;
- recreational vehicles tax pursuant to K.S.A. 79-5118;
- excise tax on rental or lease of certain motor vehicles pursuant to K.S.A. 79-5117;
- 16/20M tagged vehicles value, tax pursuant to K.S.A. 79-5105a;
- oil property value and tax;
- gas property value and tax;
- exempt property valuation 2004-2005;
- exempt industrial revenue bonds and economic development real and personal valuation;
- distribution of taxes levied for 2006 expenditures;
- recapitulation of taxes levied by district (statewide); and
- distribution of taxes by fund (statewide).

The third section includes the recapitulation of valuation and tax comparisons of real and personal property by the constitutional classification for 2004 and 2005:

- statewide, and
- county.

SECTION I

STATE STATISTICS

PROPERTY TAXATION STATEWIDE

The Kansas Statutes authorize local governments to levy property taxes. In addition to cities, townships, counties, schools, and local governments; also included are special districts such as hospitals, fire, cemeteries, watershed and libraries, etc.

Each of the 105 counties in the state of Kansas comprise a separate appraisal district, and each of these counties determine the appraised value of property located in their jurisdiction for ad valorem tax purposes. The appraisal process shall conform to generally accepted appraisal procedures which are adaptable to mass appraisal, and consistent with the definition of fair market value unless otherwise specified by law.

In 1985 Kansas Legislature enacted a law, K.S.A. 79-1476, that provided for a statewide reappraisal of all real estate with a completion date of January 1, 1989. Kansas voters passed a constitutional amendment in November 1986 establishing a classified property tax system with an implementation date of January 1, 1989. The "uniform and equal" system of assessment and taxation changed to a classified rate of market value as follows:

1989 - 1992

Real property classifications were:

Residential	12%
Vacant Lots	12%
Agricultural Use Value Land	30%
All Other Real Property	30%

Personal property classifications were:

Mobile Homes (residential)	12%
Public Utility	30%
Commercial and Industrial	20%
Mineral Leasehold Interests	30%
Motor Vehicles	30%
All Other Personal Property	30%

Merchants' and manufacturers' inventories and livestock properties became exempt.

In November 1992, the voters elected to implement another constitutional change to the classification system that became effective for the tax year of 1993. The classified rate of market value changed as follows:

1993

Real property classifications:

Residential	11.5%
Vacant Lots	12%
Agricultural Use Land	30%
Not-For-Profit (as specified by legislation)	12%
Commercial and Industrial	25%
Agricultural Improvements	25%
All Other Real Property	30%

Personal property classifications:

Mobile Homes (residential)	11.5%
Mineral Leasehold Interests (determined by production)	25 or 30%
Motor Vehicles	30%
Commercial and Industrial Equipment	25%
Recreational Vehicles	30%
All Other Personal Property	30%

1995

Recreational vehicles are no longer subject to ad valorem taxes levied under law by the state of Kansas. The tax imposed as required by K.S.A. 79-5118 *et seq*. on recreational vehicles is based on the age and weight of the vehicle with the minimum tax of $30 on a vehicle model year that is 1981 or older.

1998

Motor vehicles registering for a 16/20M tag are to be valued and taxed as required by K.S.A. 79-5101 *et seq*. removing them from the personal property roll.

STATEWIDE PROPERTY TAXES REPORTED TAXING SUBDIVISIONS

The graph on the next page represents property taxes reported by county clerks as distributed to the state, county, city, township, post secondary schools, unified school districts and all other miscellaneous districts. The miscellaneous district category includes cemeteries, libraries, fire districts, watersheds, sewer, etc.

The 2003 legislature passed HB2397 amending K.S.A. 76-6b01 and 76-6b04 that re-allocated the property tax levied by the state (1.5 mills) for 2003. The Kansas educational building fund, pursuant to K.S.A. 76-6b01, was .6 mill and .3 mill for the state institutions building fund pursuant to K.S.A. 76-6b04. The state general fund received .6 mills for 2003 as authorized by new Sec. 11 (a) of HB2397. The two building fund levies (1 mill and .5 mill respectively) combined revert back to 1.5 mills for tax year 2004.

The unified school district (USD) category in 1992 demonstrates the change in statewide property tax dollars which was brought about by the passage of the "School District Finance and Quality Performance Act" that was formally entitled "Emergency Finance by State." The legislators adopted in a new school finance formula that resulted in a substantial reduction in property tax and increase in state aid pursuant to K.S.A. 72-6431. The mill levy for the general fund was set by statute rather than by school districts as shown in column (3) below and is classified, in part, as the "local effort" portion of the school district finance and quality performance formula.

In 1991, the locally set general fund levy for USD's ranged from 9.123 to 93.677 mills. In 1992, the USD's general fund taxes were drastically reduced across the state because of the new school finance formula that was adopted by the legislators. The authorization to adopt a local option budget (LOB) as a supplement to the general fund was implemented in 1992 pursuant to K.S.A. 72-6433.

All value and tax expressed in millions of $$

SECTION II

COUNTY STATISTICS

MORTGAGE and HERITAGE FEES

The register of deed's office is responsible for the many documents filed and recorded in the county. The report included in this publication refers to the number of mortgages registered in each county and the total indebtedness involved. Also included in the report are the .25% mortgage fees and the .01% heritage trust fund fees collected in each county.

The Kansas Statutes reference the mortgage registration laws that set out the procedures and guidelines for receiving and filing a mortgage of real property. The register of deeds receives a registration fee of .26% of the principal debt or obligation being secured. The location of the real estate directs which county receives the filing and fees.

The 1990 Kansas Legislature created the Heritage Trust Fund in order to recognize the important role historic property owners and the unique circumstances they face in preserving our heritage. The fund is the only state financial incentive program for historic preservation.

Beginning October 1, 1990, the county treasurer began distributing .01% of the .26% mortgage registration fees collected to the state treasurer. All the moneys paid to the state treasurer, up to $100,000 from any county, is a credit to the heritage trust fund. The excess over $100,000 is a credit to the county general fund.

The number of properties on the state and national registers selected to receive monies from Heritage Trust Fund Grants is depicted as follows.

Year	# Properties	Grants
1997	10	$555,792[1]
1998	11	$536,884
1999	11	$569,011
2000	12	$726,498[2]
2001	13	$900,016[3]
2002	14	$955,957[4]
2003	19	$1,213,079[5]
2004	19	$1,267,322[6]
2005	21	$1,280,149[7]

The purpose of the heritage trust fund is to provide matching grants to assist the historic preservation projects involving property included in the national or state register of historic places. County and local governments, historical societies, and private nonprofit organizations receive at least 50% of the amount awarded annually for the preservation of eligible properties.

More information regarding the Heritage Trust Fund and a list of properties on the state and national register is located on their website, www.kshs.org/. Click on the Historic Properties link to access the information.

Table III

Neighborhood Revitalization Act

K.S.A. 12-17,114 *et seq*.

In 1994, Kansas Legislators passed SB 732, known as the Neighborhood Revitalization Act (NRA), which provides for property owners to receive tax rebates who make renovations or improvements to their property. Local governments are authorized to enter into interlocal agreements to offer tax rebates to eligible property owners. K.S.A. 12-17,119 requires that any two or more municipalities must agree to participate in a revitalization plan.

K.S.A. 12,17,115 denotes the qualifications for an area to be eligible for neighborhood revitalization. Revitalization areas exist where dilapidation, deterioration, obsolescence and surroundings that endanger life, or property by fire, and other conditions that are detrimental to public health, safety or welfare. Areas where there is a predominance of buildings or improvements, which by reason of age, history, architecture or significance may be identified as a revitalization area.

The content of a revitalization plan is described in K.S.A. 12-17,117. Plans must include the following criteria (not all-inclusive):

- legal description of the boundaries of the proposed area and a map depicting the existing parcels;
- assessed valuation, and a listing owners names and addresses in the proposed area;
- listing of zoning classification and district boundaries, and the existing and proposed land uses;
- proposals for improving or expanding municipal services with the area;
- a statement specifying if revitalization and rehabilitation apply to additions and/or new construction;
- the standards or criteria to be used when reviewing and approving applications for rebate;
- a statement specifying the maximum amount and years of eligibility for a rebate; and
- prior to adopting a plan, the governing body shall conduct a public hearing.

The criterion for determining what property qualifies for revitalization varies from plan to plan. The most common requirements in the plans are:

- building permits issued prior to submission of the application;
- taxes are paid in full;
- exclusion of properties with delinquent tax;
- total compliance with building codes; and
- exclusion of swimming pools, fences and parking lots.

The application period or timeframe of the established plans varies from two to ten years in duration. A few cities have adopted additional plans, expanding their revitalization areas. Some plans have a rebate percentage of 100%, retaining 5% of the rebate for administrative costs. Many plans begin with a 95% rebate decreasing the percentage to 10 until the program has expired. Some plans also establish a different sliding scale for commercial properties. Historical renovations are generally receiving a 100% rebate.

NEIGHBORHOOD REVITALIZATION TAX REBATE

TABLE VIII

Distribution of Taxes Levied
November 1, 2005 for 2006 Expenditures

STATEWIDE - DISTRIBUTION OF TAXES
FOR 2006 EXPENDITURES

The information on these tables includes three types of taxes collected: (1) Ad Valorem Tax; (2) 'In Lieu of Tax'; and (3) Special Assessments.

Ad Valorem Tax

Column 1. The general ad valorem tax levied.

Column 2. The penalty tax noted is referencing the personal property late filing penalty tax that is imposed pursuant to K.S.A. 79-332a, 79-1422, and 79-1427a. Beginning with the 1994 tax year, the computation of tax levy rates could not include the amount of late filing penalty assessed valuation imposed on any personal property renditions and oil and gas property renditions.

Column 3. After all levies are set by the county clerks for each taxing subdivision (district) in their county, the computation of the penalty tax takes place and becomes a part of the tax roll that is certified to the county treasurer for collection as noted in this column.

'In Lieu of' Tax

Column 4. *Money & Credits (Intangible) Tax* is the locally assessed intangible tax imposed by counties, cities, and townships upon the gross earnings derived from money, notes and other evidence of debt having a tax situs in such county. The governing officials of such municipalities are authorized to adopt a resolution or pass an ordinance imposing the tax rate in the amount of 1/8 to ¾ of 1% of the total gross earnings. All tax imposed and collected is credited to the general fund of the county, city or township levying the same. K.S.A. 12-1,101 and following.

Column 5. This column does not appear on the abstract. The *Financial Institution tax law* was repealed by legislation effective January 1995. The tax assessed to such business is now established as an ad valorem personal property tax.

Column 6. *Industrial Revenue Bond* property exempt from ad valorem tax pursuant to K.S.A. 79-201a *Second* in lieu of tax collections are distributed according to the agreement that was filed with the city or county.

Column 7. *Economic Development Bond* property exempt from ad valorem tax pursuant to the Kansas Constitution Section 13 of Article 11, in lieu of collections are distributed according to the agreement that was filed with the city or county.

Column 8. *All Other* tax includes municipal housing payments pursuant to K.S.A. 17-2349; agreements with the United States pursuant to K.S.A. Chapter 27, Article 2 and agreements made by tax subdivisions with owners of tax exempt property pursuant to K.S.A. 12-147, 148.

Column 9. The total *'In lieu of Tax'* collected and reported as distributed in columns 4 through 8.

Special Assessments

Column 10. Includes all assessments and fees that are authorized by statute to be billed on the ad valorem tax statement. The distribution of the special assessments is posted on the applicable lines as to the taxing subdivision (district) that receives the money.
