## FIFTY-SECOND ANNUAL REPORT

**TO THE  
GOVERNOR AND THE GENERAL ASSEMBLY**

Department of Local Affairs  
Division of Property Taxation

This page intentionally left blank.

**COLORADO**  
**Department of Local Affairs**  
Division of Property Taxation

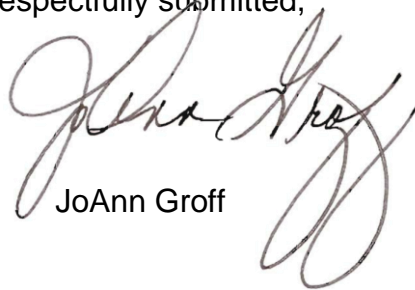

May 26, 2023

The Honorable Jared Polis  
Governor of Colorado  
and  
The General Assembly of the  
State of Colorado  
200 E. Colfax Avenue  
Denver, CO 80203

Governor Polis and Members of the General Assembly:

We are submitting the Fifty-Second Annual Report of the Division of Property Taxation in compliance with § 39-2-119, C.R.S. In addition to providing listings of assessed values in the counties and property tax revenues of the local taxing jurisdictions, the report contains statistical and summary information.

Respectfully submitted,

JoAnn Groff

JAG:tmy

# **Administration**

# COLORADO PROPERTY TAX

## OVERVIEW

In Colorado, the authority for property taxation is both constitutional and statutory. Article X of the Colorado Constitution provides that all property is taxable unless declared exempt by the Constitution, and that the actual value of taxable property shall be determined under the general laws to secure just and equalized valuations. The specific statutes pertaining to property taxation are found in articles 1 through 14 of title 39 of the Colorado Revised Statutes.

Under the general laws of Colorado, county assessors are required to discover, list, classify, and value all taxable property within their county boundaries except for those properties that are state assessed. The State Board of Equalization (Board) has supervision over the administration of all laws concerning the valuation and assessment of taxable property and the levying of property taxes. The Division of Property Taxation (Division), under direction of the Property Tax Administrator (Administrator), coordinates the implementation of property tax law throughout Colorado's sixty-four (64) counties.

The Colorado property tax system provides revenue exclusively for local government services. The largest share of property tax revenue for the year 2022 (50.9 percent) goes to support the state's public schools. County governments claim the next largest share (22.7 percent), followed by special districts (20.5 percent), municipal governments (4.6 percent), and local district colleges (1.2 percent). Total revenue for all taxing entities in Colorado for 2022 was certified as \$12,757,147,364.

**TABLE 1** lists the percentage change in property tax revenue between taxes payable in 2021 and in 2022 for the types of taxing entities in Colorado.

TABLE 1

REVENUE CHANGE BY ENTITY TYPE FOR TAX YEARS 2021-2022	
Taxing Entity	% Change
School Districts	4.9%
Local District Colleges	29.8%
Counties	8.7%
Municipalities	2.7%
Special Districts	10.6%
<b>Combined Change:</b>	<b>7.0%</b>

## **STATE BOARD OF EQUALIZATION**

The State Board of Equalization consists of the Governor, the President of the Senate, the Speaker of the House of Representatives, or their designees, and two members appointed by the Governor with consent of the Senate. Each appointed member must be a qualified appraiser, a former assessor, or a person who has knowledge and experience in property taxation.

There was only one membership change on the Board for 2022. The Board met two times in 2022. For the first meeting, the board was made up of the following individuals:

- Dickey Lee Hullinghorst, designee of Governor Jared Polis, elected by her fellow board members as chairperson;
- Barbara Brewer, a hold over appointment of Governor Hickenlooper, and was elected as vice-chair;
- Marty Flaum, the second appointee of Governor Jared Polis;
- Representative Cathy Kipp, designee of the Speaker of the House, Alec Garnett; and
- Senator Chris Hansen, designee of the President of the Senate, Steve Fenberg

Barbara Brewer was elected chairperson and Representative Cathy Kipp was elected as vice-chair at the January meeting. Dickey Lee Hullinghorst was present only for the January meeting, and was replaced by Rick M. Garcia as the governor's designee for the October meeting.

### **Duties and Responsibilities**

The Board supervises the administration of property tax laws and the equalization of the values of all the classes and subclasses of taxable property across the state. Duties of the Board are found primarily in sections 3 and 15 of article X of the Colorado Constitution, and articles 1 and 9 of title 39 of the Colorado Revised Statutes.

The Board reviews the findings and conclusions of the annual study contractor and orders reappraisals in counties found to be not in compliance. The study was initiated by a 1982 amendment to the Colorado Constitution to ensure all assessors value property at the same level of value using standardized procedures and statistical measurements. The study is conducted by an independent auditing firm contracted by the Director of Research for the Office of Colorado Legislative Council, § 39-1-104(16), C.R.S. The study and the resulting orders of reappraisal are the primary means of achieving statewide equalization. Each year, the auditor performs both a ratio study and a market trend analysis. The auditor also reviews both sold and unsold properties in addition to agricultural residences and any other areas as directed by the Office of Colorado Legislative Council.

The following companies were contracted for the annual study since 1982:

- 1983-1986 – Max Arnold and Assoc.
- 1987 – Hoover and Assoc.
- 1988 – Hoover, Thimigan and Assoc.
- 1989-1992 – Thimigan and Assoc.
- 1993-2002 – Thos Y. (T.Y.) Pickett and Co. Inc.
- 2003-2008 – Rocky Mountain Valuation Specialists, LLC
- 2009-2022 – Wildrose Appraisal, Inc., Audit Division

The importance of the Board's equalization function is due, in part, to the relationship that exists between assessed values and state aid to schools. Generally, if the property in a school district is undervalued, it is likely the district will receive more state revenue than to which it is entitled. When the results of a reappraisal order indicate the affected school district(s) received too much state revenue, the Board will order the county (not the school district) to pay back the excess funding. During the 1980s and early 1990s, this occasionally required the repayment of substantial revenue

to the state. In years that are more recent, however, significant improvements in the quality of county assessments have resulted in far fewer reappraisal orders and smaller repayments of excess state aid to schools.

The Board also reviews county Abstracts of Assessment, decisions of county boards of equalization (county boards), and the policies and recommendations of the Property Tax Administrator and any changes to the three volumes of the Assessors' Reference Library published by the Administrator.

## **STATE BOARD OF EQUALIZATION ACTIVITY**

The following is a brief history of recent actions by the State Board of Equalization over the most recent five-year period, from 2022 back to 2018.

### **2022 Action and Enforcement**

In 2022, the Board held two meetings; January 10, 2022 and October 13, 2022. Both meetings were held via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors.

At the Board's first meeting in January, the Board held elections of officers, where board member Barbara Brewer was elected chairperson, and Cathy Kipp was elected vice-chair. The Board then reviewed the minutes from its last meeting on October 15, 2021 and approved them as written. Moving to the next agenda item, the Board considered waivers of filing deadline for exempt property owners. After a brief explanation of the consent agenda of properties by Terry Long, manager of the Exemptions Section, the Board heard speakers for a handful of organizations that had joined the meeting, including:

- Assembly of God dba Open Door Church
- Iglesia Apostolica De La Fe en Cristo Jesus in US
- Central Baptist Church

The Board unanimously adopted a new filing deadline of February 18, 2022 for these requests, and also accepted the waiver requests for all of the organizations on the consent agenda. Mr. McGrath, manager of the Assessment Resources and Appraisal Standards Sections, then explained to the Board certain proposed changes to the Assessors' Reference Library publications. For Volume 2, there were significant changes due to a piece of legislation, SB21-293 and for Volumes 3 and 5, there were necessary annual changes in rates, factors and calculations. Administrator Groff outlined the steps that these proposed changes had already gone through with stakeholder meetings and that the Statutory Advisory Committee had unanimously approved the changes.

The Board unanimously approved the changes to become effective immediately. The Board set the date for the next meeting on October 13, 2022, and then adjourned its meeting.

The Board's second meeting on October 13, 2022, began with roll call. The first agenda item considered was review and approval of the minutes from the last meeting, which took place January 10, 2022. They were passed unanimously as written. The Board then had several reports submitted to it from the assessment audit, Wildrose Appraisal, Inc., including sixty-four county reports for 2022 the 2022 Personal Property Report, the 2022 Sales Verification Report, and the 2022 Statutory Deadline Report. The Board unanimously passed a motion to approve all the reports as submitted. After which, Harry Fuller and Steve Kane of the audit were recognized to discuss the audit and its findings. Mr. Fuller noted that there are two outstanding reports, Abstract Reports and CBOE Change Reports, which will be finished in December due to the counties on the alternate protest procedure.

Mr. Kane then presented to the Board the detailed statistical results of the 2022 audit. After explaining the ratio study, the market trending study, and sold/unsold study, he went on to describe the additional work the audit accomplished using the price related differential as a way to examine if

all homes are being treated equally across the value spectrum. Results showed that 62 of 64 counties were within the acceptable measurable range, and the two that had evidence of bias were barely outside of the acceptable range and could have been an anomaly due to few sales. J

Thomas Young of the Division recommended that the Board accept and approve sixty abstracts that were filed by the August 25 deadline. The remaining abstracts for Adams, Boulder, Gunnison, and Jefferson counties would be filed under the alternate protest process by the November 21 deadline. The Board moved to authorize the chair to review and approve the remaining abstracts and there were no objections.

The Board authorized the chairperson to approve the remaining abstracts by December, 15, 2022. The Board then addressed waivers of the filing deadline for exempt property owners. First, the Board approved a new deadline of Monday, November, 21, 2022, following the recommendation of the Division. The consent agenda of property owners was approved for the waiver, and two specific cases were highlighted for the Board's attention. Afterwards, representatives who wished to speak to the Board on behalf of their organization were invited to speak. The Board heard from representatives for Young Life, Boys and Girls Clubs of Metro Denver, Bessemer Historical Society, and Adventure West Council, Boy Scouts of America.

Administrator Groff then presented information to the Board about changes to the Assessors' Reference Library and explained that there were no controversial items and no objections from the Statutory Advisory Committee. The Board approved all presented changes to the three volumes. Before adjourning, the Board approved of the 2023 meeting date of Thursday, October 12, 2023.

## **2021 Action and Enforcement**

In 2021, the Board held two meetings; March 26, 2021 and October 15, 2021. Both meetings were held via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors.

At the Board's first meeting in March, the Board reviewed the minutes from the last meeting, which took place November 17, 2020. The minutes were approved and the Board moved on to the remaining agenda items for that meeting. The first of those agenda items was consideration of changes to the Assessors' Reference Library. The Board approved all of the changes to the manuals that were presented. The Board then took up the last item on its agenda: the supervision of the property tax administrator. After a brief executive session the Board heard testimony from the Eagle County Attorney and representative of the Eagle County Board of County Commissioners, Bryan Treu.

Mr. Treu explained to the Board the difficulty that the county had with Deputy Director Curt Settle of the Division of Property Taxation and how Mr. Settle's relationship with Bruce Cartwright, managing director of Duff and Phelps appeared inappropriate. Mr. Treu believed that Mr. Settle was actively assisting Mr. Cartwright in various property tax appeals against the county. Through Colorado Open Records Act requests, Mr. Treu obtained and presented to the Board, email correspondences showing how Mr. Settle routinely accepted invitations for meeting with Mr. Cartwright and reached out to him for feedback on Division policy. Mr. Treu was supported by San Miguel County Commissioner Kris Holstrom and La Plata County's Board of County Commissioners in asking for transparency of the Division's leadership.

Property Tax Administrator JoAnn Groff responded and explained her responses to the counties' CORA requests and the Division's protocol about engagement on issues of property taxation. The Board also heard from Mr. Settle directly as he explained the various points brought up by the counties. Administrator Groff suggested the board take formal action regarding written policies of engagement for Division employees, and it did with the requirement that the policies be posted on the Division's website.

The Board's second meeting dated October 15, 2021, began with review and approval of the minutes from the March meeting. The Board then moved to the remaining agenda items for the meeting, which included presentation of the annual assessment audit, consideration of the abstracts of assessment, consideration of requests to waive filing deadline of annual reports from exempt property owners, and finally consideration of changes made to the Assessors' Reference Library.

The Board accepted all Final Property Assessment Study Reports, the 2021 Abstract Projection Report, the 2021 County Board of Equalization Adjustment Report, the 2021 Personal Property Report, the 2021 Sales Verification Report, the 2021 Statutory Deadline Report, and the 2021 Land Not Integral Report. The Board heard from the auditor, Wildrose Appraisal, Inc., and the audit's results for the year and what to expect looking ahead. Joette Riley of the Division recommended that the Board accept and approve fifty-eight abstracts that were filed by the August 25 deadline. The remaining abstracts for Adams, Boulder, Denver, Douglas, Gunnison, and Jefferson counties would be filed under the alternate protest process by the November 21 deadline. The Board moved to authorize the chair to review and approve the remaining abstracts and there were no objections.

The Board approved a deadline of November 30, 2021, for all exempt property owners to file the annual reports with the Division. This deadline was approved for all organizations that were on the consent agenda list. The Board then reviewed those requests for filing deadline waivers that the Division highlighted for discussion, which included the following organizations:

- Campbell Chapel AME Church
- Center for Fine Art Photography
- Fellowship Benevolent Corporation
- New Life Worship Center of Fort Morgan
- American Honda Education Corp

After discussion, the Board granted all waiver requests, again adopting the filing deadline of November 30, 2021, for all five organizations in one motion. The Board unanimously adopted and approved all of the changes as proposed to the Statutory Advisory Committee for the Assessors' Reference Library.

The Board was then presented with Administrator Groff's "*Protocol for External Engagement*," drafted under the board's direction in March. She explained that in addition to direction for division employees, the document also includes links to a number of resources and codes of conduct that govern employees of the Division of Property Taxation under Department of Local Affairs, the state statutes and the constitution. As the board had directed, she explained that the protocol had been shared with employees and was already posted on the division's website.

## **2020 Action and Enforcement**

In 2020, the Board held three special meetings and one regular meeting which is customarily in October. The meetings were dated January 10, April 9, August 4, and November 17.

The Board held its first special meeting on January 10, 2020. At the meeting, the Board first reviewed the minutes from the last meeting which took place on October 8, 2019. The minutes were approved and then the Board moved on to the topic of requests from exempt property owners to waive the filing deadline of annual reports. Stan Gueldenzopf, manager of the Exemptions Section, noted that twenty-eight new petitions had been submitted since the Board last met.

The filing deadline was extended to February 24, 2020, for all waivers being considered both on the consent agenda and those highlighted for discussion. The list of properties on the consent agenda was approved for a waiver and the motion passed unanimously. The Board then listened to the request that was highlighted for discussion regarding the property owned by House of Worship United Pentecostal. The board approved the waiver for this organization going back to 2015, and also made the entity accountable for all fees and interest incurred. After passing the motion unanimously, the board adjourned the meeting.

The Board met again on April 9, 2020. This meeting was held via remote access only to comply with Governor Jared Polis' Executive Order D 2020 017 Ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and the Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements. The Board heard Property Tax Administrator JoAnn Groff explained the purpose of the meeting was for proposed emergency rule making related directly to Executive Order D 2020 022, ordering the Temporary Suspension of Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The emergency rules considered supervision of the administration of the property tax laws.

Ms. Groff noted that the rules, if adopted by the board, would go into effect immediately and would be forwarded to the attorney general's office requesting opinion on their legality. Chairwoman Hullinghorst then convened the board in an executive session for the purpose of receiving legal advice from the board's attorney, Heather Flannery.

The Board delayed considering a question from Mesa County about expanding the median sales ratio requirement upon advice from counsel. Ms. Groff then continued to explain how the purpose of the emergency rules related directly to Executive Order D 2020 022, ordering the Temporary Suspension of Certain Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The Board reviewed a table format that outlined the relevant statutes, current deadlines and new deadlines imposed by this change. Specifically, those rules addressed the filing deadlines of:

1. Business personal property, found in sections 39-5-108 and 39-5-116(1) of the Colorado Revised Statutes;
2. Taxable natural resource property – mining, found in sections 39-5-115(1); 39-5-116(1); 39-6-106(1); and 39-6-113(3), of the Colorado Revised Statutes; and
3. Taxable oil and gas property found in sections 39-7-101(1), (2); 39-5-113.3(1); and 39-5-116(1), of the Colorado Revised Statutes.

The proposed emergency rules moved those deadlines from April 15, 2020 to June 15, 2020. Additionally, the executive order suspended other deadlines to accommodate the extension of the filing deadlines for taxpayers. The extension of these other dates was necessary to prepare the values of those properties to be included in the certification of value to taxing jurisdictions for 2020. The additional deadlines were found in the following statutes:

1. Notices of valuation to property owners, sections 39-5-121(1.5)(a)(I); 39-6-111.5; and 39-7-102.5, of the Colorado Revised Statutes;
2. Protest period for property valuations, sections 39-5-121(1.5)(a)(I) and 39-5-122(2), (4), of the Colorado Revised Statutes;
3. Notice of determination, section 39-5-122(2), of the Colorado Revised Statutes;
4. Extended appeal calendar, section 39-5-122.7, of the Colorado Revised Statutes;
5. Appeals to County Board of Equalization, sections 39-8-106(1)(a) and 39-8-107(2), of the Colorado Revised Statutes;
6. Preliminary certification of values, section 39-5-128(1), of the Colorado Revised Statutes;
7. Reports of assessor, section 39-8-105(2), of the Colorado Revised Statutes;
8. Abstracts of assessment, sections 39-2-115(1) and 39-5-123, of the Colorado Revised Statutes; and
9. Abstract recommendations, section 39-2-115(3), of the Colorado Revised Statutes.

The Board unanimously adopted the rules as they were imperatively necessary to comply with Executive Order D 2020 022, and for the preservation of public health, safety, or welfare because the extension of regular deadlines, further facilitated taxpayers' ability to comply with Executive Order

D 2020 017 and D 2020 024, Ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements. Chairwoman Hullinghorst then closed discussions on the emergency rule making topic and moved to call to order a discussion on waivers of filing deadlines for exempt property owners.

Ms. Groff explained that due to Executive Orders D 2020 017 and D 2020 024, ordering Coloradans to Stay at Home Due to the Presence of COVID-19 in the State, and the Third Updated Public Health Order 20-24, Implementing Stay at Home Requirements, it may be difficult for exempt property owners to meet their annual report filing deadlines as described in section 39-2-117(3)(a)(I) of the Colorado Revised Statutes. This statute allows the Property Tax Administrator the authority to waive all or a portion of the late filing fee for good cause shown. She also explained it was her intention to waive the late filing fee for all exempt property owners who file their annual reports after April 15, but no later than by the extended filing deadline of June 15. Ms. Groff explained that this statute also imposes a final filing deadline of July 1, and that the Board has the right to waive filing deadlines for exempt property owners who miss the July 1 deadline if they find the interests of justice and equity would be served.

The Board issued a blanket waiver of filing deadline for all exempt property owners to file their annual reports by September 1, 2020, and then the meeting was adjourned.

The Board held its third special meeting on August 4, 2020. The meeting was also via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors.

The first action the Board to was to approve the minutes from the January 10, 2020 and the April 9, 2020 meetings. Ms. Groff explained that the meeting is to consider Emergency Rule 3, relating to Executive Order D 2020-22, as amended and extended by Executive Orders D 2020 055, D 2020 089, D 2020 121, and D 2020 150, to continue the temporary suspension of calendar year 2020 statutory deadlines necessary to accommodate taxpayer filing deadlines that were extended for certain taxable property. The rule was being considered as part of the General Rules Regarding Supervision of the Administration of Property Tax Laws. The rule was to be forwarded to the Attorney General's office after adoption for a request on the constitutionality and legality of the rules. Ms. Groff explained The reason for the proposed emergency rule related directly to Executive Order D 2020 150 to continue the temporary suspension of calendar year 2020 statutory deadlines necessary as an extension of Executive Order D 2020 22, ordering the Temporary Suspension of Statutes Concerning Taxpayer Filing Requirements for Certain Taxable Property due to the Presence of COVID-19 in the state. The extension of the deadlines was necessary to prepare the values of the properties to be included in the certification of valuations. The new deadlines were:

1. Notices of valuation to property owners, sections 39-5-121(1.5)(a)(I); 39-6-111.5; and 39-7-102.5, of the Colorado Revised Statutes;
2. Protest period for property valuations, sections 39-5-121(1.5)(a)(I) and 39-5-122(2), (4), of the Colorado Revised Statutes;
3. Notice of determination, section 39-5-122(2), of the Colorado Revised Statutes;
4. Extended appeal calendar, section 39-5-122.7, of the Colorado Revised Statutes;
5. Appeals to County Board of Equalization, sections 39-8-106(1)(a) and 39-8-107(2), of the Colorado Revised Statutes;
6. Preliminary certification of values, section 39-5-128(1), of the Colorado Revised Statutes;
7. Reports of assessor, section 39-8-105(2), of the Colorado Revised Statutes;
8. Abstracts of assessment, sections 39-2-115(1) and 39-5-123, of the Colorado Revised Statutes; and

9. Abstract recommendations, section 39-2-115(3), of the Colorado Revised Statutes.

These deadlines were to complete the changes necessary to accommodate the later filing deadlines contained in Executive Order D 2020 022 and the Board's Emergency Rules 1 and 2 that were adopted on April 9, 2020.

The Board adopted these changes to approve of Emergency Rule 3 and then adjourned the meeting.

The board held its fourth and final meeting on November 17, 2020 which was the Board's only regular meeting for the year. It was also held via remote access only in accordance with Executive Order D 2020 144, Safer at Home and in the Vast, Great Outdoors. The first action that the Board took was to unanimously approve the minutes from the previous meeting of November, 4, 2020.

Wildrose Appraisal, Inc. submitted sixty-four county reports as required by their contract to the State Board of Equalization in a manner timely for review prior to the meeting. Mr. Harry Fuller, the audit manager, gave an overview of all of the reports and asked the Board to accept the following reports for all sixty-four counties:

- 2020 Property Assessment Study Report
- 2020 Abstract Projection Report
- 2020 County Board of Equalization Adjustment Report
- 2020 Personal Property Report
- 2020 County Sales Verification Report
- 2020 Statutory Deadline Report
- 2020 Land Not Integral Report

Mr. Fuller then introduced Mr. Steve Kane, the data analyst for the audit, to present the statistical results for the 2020 audit. Mr. Kane began with an overview of the audit results, how the audit was performed in 2020, and what to expect looking ahead.

Thomas M. Young, a property tax specialist of the Division's Assessment Resources Section gave a presentation about the review process done for the county board of equalization changes and consideration of the abstracts of assessment. The emergency rules adopted by the Board extended the usual August 25 filing deadline to October 13, 2020. The Division reviews all county abstracts and recommends them for approval by the Board if they are in balance and complete - however if a county board of equalization change indicates that the value of any subclass of property was adjusted by more than five percent, that abstract is subject to further review by the Division. Fifty-nine counties had filed by the October 13 deadline and were reviewed with no issues found and were recommended for approval.

The remaining counties of Adams, Boulder, Douglas, Gunnison, and Jefferson opted to use the alternate protest and appeal process, which extends that filing deadline to December 1, 2020 under this year's emergency rule. The Board unanimously agreed to allow Chairwoman Hullinghorst to sign and approve the remaining abstracts if there were no issues detected with them.

The Board then proceeded to consider the requests from exempt property owners to waive the filing deadline. Terry Long, manager of the Exemptions Section, presented information to the Board about the consent agenda and additional properties that were highlighted for discussion. The Board unanimously approved moving the extension of the deadline to December 31, 2020 for filing. The Board also unanimously approved the consent agenda for all the organizations listed.

Mr. Long then brought the board's attention to a few specific organizations highlighted for discussion. Those organizations included:

- Theatine Fathers St. Andrew Avellino Seminary
- Reconstruction Road Ministries
- International Church of the Foursquare Gospel
- American Legion Summit Post #31
- Maslow Academy of Applied Learning Inc.

- Triangle Cross Ranch
- Platteville Baptist Church

There were individuals present representing two of the organizations listed for discussion:

- Platteville Baptist Church
- Triangle Cross Ranch

After speaking with the two representatives for these organizations and answering their questions, the Board unanimously approved granting the waiver of filing deadline for all properties listed above. The new filing deadline was set as December 31, 2020, and the organizations were also asked to complete a succession plan for how the organization was going to avoid this situation in the future.

Mr. Long then brought the Board's attention to two additional organizations:

- Community Youth Foundation Inc.
- New Jerusalem Missionary Baptist Church

These organizations were highlighted due to some shared characteristics. Both were a number of years behind in their filings, and both had sought relief from the Board in the past. They were granted the waiver of filing deadline previously, yet failed to file even by the extended deadlines granted - possibly due to a lack of funds as it is a \$250 fee per late annual report. The Board unanimously approved extending the filing deadline for all prior years for the two organizations to December 31, 2020. The board's action also included a request to submit a written succession plan.

The last highlighted organization was in a unique position. That organization was:

- Cortez Veterans Inc.

The property was sold and the property owner applied for exemption again. Mr. Long believed the property would qualify, and in the organization's petition to the Board, it requested a refund of taxes paid for 2018 and 2019. Mr. Long pointed out that it is not within the Board's power to grant refunds of taxes, there is no action to be taken on that particular waiver request.

The last agenda item that the Board considered was to take action to reappoint JoAnn Groff as the Colorado Property Tax Administrator for another five-year term. Ms. Groff's current term expires on January 1, 2021. The board unanimously voted to re-appoint Ms. Groff for another term.

After deciding on a meeting date for the next regular meeting of the Board in 2021, the meeting was adjourned.

## **2019 Action and Enforcement**

The board met once in 2019 on October 8, 2019.

At the Board's annual meeting, the Board first elected Chairwoman Hullinghorst and Vice-chairperson Barbara Brewer before reviewing the minutes from the last meeting that took place October 17, 2018. The Board approved the minutes and then Curt Settle, Deputy Director of the Division, introduced the Board's constitutional and statutory authority, duties, and responsibilities with respect to the audit. Mr. Settle also explained to the members the significant changes of the 2019 audit contract. Curt Settle then introduced Harry Fuller with Wildrose Appraisal, Inc. to give the report of the 2019 audit. Mr. Fuller reported that there were no counties out of compliance after visiting all 64 counties and looking at compliance with statutes, Board rules, and the ARL. Mr. Fuller asked the board to accept all of the final reports, and then introduced Mr. Kane to present the statistical results of the findings.

Mr. Kane went through and outlined the sales ratio study, the market trending, the sold and unsold analysis, and finally agricultural residences. He noted that if a county had fewer than 1,200 vacant land parcels, it does not qualify for the sales ratio analysis for vacant land. As a result, only 42 counties had the analysis completed on the vacant land class. Mr. Kane discussed the unit values test and the percent change test for the sold and unsold analysis. He concluded that all counties were in compliance. Mr. Kane also noted that under the expanded analysis for the 2019 contract,

where the auditor was required to look at economic areas and neighborhoods instead of just subdivisions, all counties were in compliance on all classes.

Mr. Kane answered a few questions about the eighteen month data gathering period which sets the level of value and the increased interaction the auditor had with the assessors this year which allowed many eastern counties to analyze commercial properties that were experiencing significant market appreciation due to the marijuana market expanding from larger, urban counties.

Mr. Fuller then gave an overview of all of the reports and asked the Board to accept the following reports:

- 2019 Property Assessment Study Report for each of the 64 counties
- 2019 Abstract Projection Report for the 58 counties not on extended appeals schedule
- 2019 County Board of Equalization Adjustment Reports for the 58 counties not on the extended appeals schedule
- 2019 Personal Property Report for all counties
- 2019 County Sales Verification Report for all counties
- 2019 Statutory Deadline Report for all counties
- 2019 Land Not Integral Report for all counties

After accepting the reports, the board moved on to review the Abstracts of Assessments. Mrs. Renée Bridges presented the review and explained that no issues were found. She requested the Board approve the 58 county abstracts submitted to the Property Tax Administrator. The Board decided that the chair would later approve the remaining abstracts should there be no issues.

The next agenda item the Board addressed was the list of exempt organizations requesting the Board to waive the filing deadline for its paperwork in order to maintain exempt status. Mr. Stan Gueldenzopf, manager of the Exemptions Section of the Division of Property Taxation, reminded the board of its ability to set an extended filing deadline and recommended setting the date to November 18, 2019. He then continued to the Consent Agenda. The Board then accepted the Consent Agenda and the late filing date of November 18, 2019.

There were individuals present representing organizations listed on the Consent Agenda for:

- Georgetown Trust for Conservation and Preservation, Inc.
- Veterans of Foreign Wars North Park Post 2371
- Berthoud Habitat for Humanity, Inc.
- Arkansas Valley Hospice Inc.
- Bible Way Christian Training Center

The Board spoke with each representative, and then approved the Consent Agenda with clarifying language that any refund on taxes paid, does not include interest.

Mr. Gueldenzopf then brought the Board's attention to a few specific organizations that were highlighted for discussion. Those organizations included:

- Korean Senior Association of Colorado
- Solid Rock Baptist Church
- Al Mustafa Islamic Center
- Housing is Vital, LP
- Juan Diego Partnership, LLLP
- Del Norte's Chesney Kleinjohn, LLC
- New Jerusalem Missionary Baptist Church
- Cañon City Rodeo Assn
- Gateway of Praise Worship Center
- Naropa University - Alaya Preschool (the Board dismissed this request for lack of jurisdiction)

All of the organizations had the waiver to file late approved with the deadline being November 18, 2019. Many organizations were also asked to submit a succession plan with their filing.

Finally, JoAnn Groff presented for the Board's consideration, the changes made to the Assessors' Reference Library at the last Statutory Advisory Committee meeting which occurred September 19, 2019. Since this meeting fell within the 30 days after that September meeting the Board had the

ability to approve the changes presented. The Board adopted and approved all of the changes requested and also discussed dates for the 2020 meeting. The Board then adjourned.

## **2018 Action and Enforcement**

The board met once in 2018 on October 17, 2018.

At the October 17, 2018, meeting, the Board first reviewed the minutes from the last meeting that took place on October 25, 2017. Chairwoman Hullinghorst noted a few minor amendments to the minutes that were approved unanimously. JoAnn Groff introduced Harry Fuller with Wildrose Appraisal, Inc. to give the report of the 2018 audit. Mr. Fuller reported that there were no counties out of compliance after visiting all 64 counties and looking at compliance with statutes, Board rules, and the ARL. Mr. Fuller asked the board to accept all of the final reports, and then introduced Mr. Kane to present the statistical results of the findings. Mr. Kane went through and outlined the sales ratio study, the market trending, the sold and unsold analysis, and finally agricultural residences. He noted that if a county had fewer than 1,200 vacant land parcels, it does not qualify for the sales ratio analysis for vacant land. As a result, only 41 counties had the analysis completed on the vacant land class. Mr. Kane discussed the unit values test and the percent change test for the sold and unsold analysis. He concluded that all counties were in compliance and that next year; the auditor will expand the analysis for vacant land, where it was typically examined at the subdivision level, to look at economic areas, neighborhoods, or subdivisions where appropriate.

Chairwoman Hullinghorst asked Mr. Fuller how he audits business personal property. He explained that in the 10 metro counties and Mesa County, a sample of accounts is selected, and the values recalculated to determine if the county is following procedures. For the remaining smaller counties, a sample of 10 accounts is selected to determine if the correct procedures are being followed.

Mr. Fuller then gave an overview of all of the reports and asked the Board to accept the following reports:

- 2018 Property Assessment Study Report for each of the 64 counties
- 2018 Abstract Projection Report for the 60 counties not on extended appeals schedule
- 2018 County Board of Equalization Adjustment Reports for the 60 counties not on the extended appeals schedule
- 2018 Personal Property Report for all counties
- 2018 County Sales Verification Report for all counties
- 2018 Statutory Deadline Report for all counties
- 2018 Land Not Integral Report for all counties

After accepting the reports, the board moved on to review the Abstracts of Assessments. Mrs. Renée Bridges presented the review and explained that no issues were found. She requested the Board approve the 60 county abstracts submitted to the Property Tax Administrator. The Board decided that the chair or vice chair would later approve the remaining abstracts should there be no issues.

The next agenda item the Board addressed was the list of exempt organizations requesting the Board to waive the filing deadline for its paperwork in order to maintain exempt status. Mr. Stan Gueldenzopf, manager of the Exemptions section of the Division of Property Taxation, reminded the board of its ability to set an extended filing deadline and recommended setting the date to December 10, 2018. He then continued to the Consent Agenda. There was nobody present to address the Board on behalf of an organization listed on the Consent Agenda. The Board then accepted the Consent Agenda and the late filing date of December 10, 2018.

Mr. Gueldenzopf then brought the Board's attention to a few specific organizations that were highlighted for discussion. Those organizations included:

- Korean Senior Association of Colorado
- Pilot Trust
- Mount Moriah Masonic Building Fremont Association
- Masonic Holding Association
- Friends of Christian Education Foundation
- Clavis Club of Morgan County

All of the organizations had the waiver to file late approved with the deadline being December 10, 2018. Pilot Trust and Masonic Holding Association had a requirement to file a brief written plan dealing with how the organization will avoid future failure to file on time. The Clavis Club of Morgan County was asked to submit an additional backup plan for moving forward, since it had already filed a plan in the previous year yet still failed to file on time.

Finally, JoAnn Groff presented for the Board's consideration, the changes made to the Assessors' Reference Library at the last Statutory Advisory Committee meeting. Since this meeting fell within the 30 days after that September meeting the Board had the ability to approve the changes presented. The board adopted and approved all of the changes requested. The Board then adjourned.

## **DIVISION OF PROPERTY TAXATION**

Under the general laws of Colorado, the Property Tax Administrator directs the Division of Property Taxation. The Administrator is appointed by a majority vote of the State Board of Equalization to serve a five-year term, and until a successor is appointed and qualified.

A primary responsibility of the Division is to administer the implementation of property tax laws throughout Colorado's sixty-four counties so that valuations are fair, uniform, and defensible, thereby ensuring that each property class contributes only its fair share of the total property tax revenue. In other words, the Division's goal is equalization of valuation and proper distribution of property taxes throughout the state.

The Division is comprised of four sections: Assessment Resources, Appraisal Standards, Exempt Properties, and State Assessed Properties.

### **Assessment Resources**

The Assessment Resources section prepares and publishes administrative manuals, procedures, and instructions. It conducts several classes and seminars regarding the administrative functions of the assessors' offices, including one tested course: Introduction to Assessment. Although this class offers continuing appraisal education credit, it is highly recommended as a prerequisite for all qualifying appraisal education courses. This section performs field studies and provides statewide assistance with issues such as tax increment financing, the administration and valuation of manufactured homes, senior and disabled veteran exemptions, classification of property, title conveyance, mapping, production of the abstract of assessment, certification of values to taxing entities, and the tax warrant. The section assists with investigation of taxpayer complaints. It is responsible for various studies and reports such as fiscal impacts for the Colorado Legislative Council, the Colorado Assessed Values Manual, and the Property Tax Administrator's **Annual Report to the Governor and General Assembly**. It works closely with assessors and other agencies in all areas of property taxation. Assessment Resources is responsible for recommending to the property tax administrator approval or disapproval of all petitions for refund or abatement of taxes in excess of \$10,000.

### **Appraisal Standards**

The Appraisal Standards section prepares and publishes appraisal manuals, procedures, and instructions. It holds classes and seminars regarding all areas of appraisal. It conducts field studies and provides statewide assistance in agricultural land classification and valuation, natural resources, and personal property valuation, as well as assistance in the valuation of vacant land, possessory interest, residential, commercial, and industrial properties. The section assists in reappraisal efforts, reviews internal appraisal forms used by assessors, and investigates and responds to taxpayer complaints.

The section conducts four tested qualifying education courses to enable assessment appraisers to obtain an Ad Valorem Appraisal License. These courses are: Introduction to Ad Valorem Mass Appraisal, Basic Appraisal Principles, Basic Appraisal Procedures, and Uniform Standards of Professional Appraisal Practice (USPAP). This section currently offers additional tested courses including: Vacant Land Present Worth, Advanced Income, and Agricultural Land and Rural Structures. The section also offers several non-tested courses including a continually expanding list of online distance education.

### **Exempt Properties**

The Exemptions section, under the authority of the Property Tax Administrator, is responsible for determining the qualification for exemption from property taxation for properties that are owned and used for religious, charitable and private school purposes. This section reviews reports filed annually by exempt property owners to determine if the property's exempt status is still warranted. The section provides assistance to counties and taxpayers with inquiries about exempt properties, helps taxpayers with petitions to the State Board of Equalization, conducts hearings on exemption applications and revocations of exemptions, and defends appeals of its final decisions.

## **State Assessed Properties**

The State Assessed section is the only area of the Division that performs original valuation of property on an annual basis. The section values all public utilities doing business in Colorado as defined by statute, including rail transportation companies, airlines, non-renewable and renewable energy companies, telephone companies, and pipelines. The company valuations are allocated to Colorado then apportioned to the counties for collection of local property tax. Both county commissioners and public utilities may protest the value assigned to state assessed property and may appeal to the Board of Assessment Appeals (BAA) or Denver District Court if the protest is not resolved at the Division level.

## **2022 VALUE INFORMATION**

Taxable real property classified as residential, commercial, industrial, agricultural, and vacant land, is subject to re-valuation by county assessors every odd-numbered year. Taxable property not subject to the biennial reassessment cycle is valued every year. This includes all property classified as state assessed; land and leaseholds classified as oil and gas, natural resources, and producing mines; all subclasses of personal property; and possessory interests.

For 2022, Colorado assessed values increased approximately \$7.8 billion, representing five and one half percent increase from the prior year. The statewide increase was primarily attributable to the increases in state assessed, oil and gas, natural resources, and mining classes of property. The total assessment for 2022 was \$150,166,459,833.

**TABLE 2** displays the percent change to the total value of each property class from 2021 to 2022 as well as the percentage that class makes up of the total valuation for assessment in 2022.

TABLE 2

VALUE CHANGES BY PROPERTY CLASS FOR TAX YEARS 2021-2022		
Class	2021-2022 Change	Class as % of Total
Vacant Land	-2.2%	3.2%
Residential	-1.1%	46.7%
Commercial	0.9%	28.7%
Industrial	-0.5%	3.5%
Agricultural	-6.8%	0.9%
Natural Resources	1.7%	0.2%
Producing Mines	13.5%	0.3%
Oil and Gas	101.6%	10.7%
State Assessed	4.6%	5.7%
<b>Net Total:</b>	<b>5.5%</b>	<b>100.0%</b>

## **Residential, Commercial, Industrial, and Vacant Land**

The Colorado Constitution and statutes specify that real property classified as commercial, industrial, and vacant land is valued by county assessors through consideration of the market, cost, and income approaches to value. Residential property is valued solely by the market approach. For these classes of property, the valuation reflects changes that occurred between the assessment cycle appraisal dates: June 30 2018, and June 30, 2020.

In 2022, Colorado showed a decrease in assessed value in four classes of property: vacant land (-2.2 percent), residential (-1.1 percent), industrial (-0.5 percent) and agricultural (-6.8 percent). The remaining classes of property showed increases in 2022 with the largest percentage increases in oil and gas and producing mines. The total assessed valuation of the residential class decreased 1.1 percent in 2022. According to the S&P CoreLogic Case Shiller Home Price Indices, home prices continued their rise across the country over the last 12 months. Denver, specifically, experienced an approximate 3.6 percent year over year increase in 2022. However, the end of the data gathering period for 2021-2022 reassessment values was June 30, 2020, meaning the last 6 months of local data may not be available for inclusion in the analysis, § 39-1-104(10.2), C.R.S.

The commercial class also experienced an increase in assessed value of nearly one percent. The total values of the commercial and industrial classes are stabilized somewhat by the presence of personal property. For 2022, personal property accounts for 10.57 percent of the total value of the commercial class and 45.86 percent of the total value of the industrial class. The assessor revalues personal property every year, and the values are less subject to dramatic changes than are the values of real property.

**TABLE 3** provides a county-by-county comparison of values for the residential, commercial, and vacant land property classes between 2021 and 2022.

TABLE 3

VALUE CHANGES FOR RESIDENTIAL, COMMERCIAL, AND VACANT LAND PROPERTY CLASSES BY COUNTY FOR TAX YEARS 2021-2022									
County	Residential Class			Commercial Class			Vacant Land Class		
	2022	2021	% Change	2022	2021	% Change	2022	2021	% Chang
Adams	4,294,178,000	4,336,369,730	-1.0%	3,873,628,410	3,695,900,210	4.6%	340,301,450	310,480,730	8.8%
Alamosa	63,759,873	64,587,994	-1.3%	58,225,488	57,442,136	1.3%	15,512,070	15,738,227	-1.5%
Arapahoe	7,186,415,819	7,288,585,884	-1.4%	5,168,640,331	5,182,994,004	-0.3%	218,396,485	240,532,044	-10.1%
Archuleta	230,256,130	232,188,930	-0.8%	57,945,100	59,182,920	-2.1%	62,628,660	59,372,020	5.2%

## Oil and Gas

The taxable value of real property associated with oil and gas wells is calculated as a percentage of the revenue obtained for the product at the wellhead during the prior year. This makes oil and gas among the most volatile of property classes because the market prices of natural gas and crude oil can change considerably from year to year.

Colorado experienced a nearly 102 percent increase in the total assessed value of the oil and gas class in 2022. Among the classes of taxable property, oil and gas contains the third highest total assessed value for 2022, following the residential and commercial property classes. The 2022 total assessed value for the oil and gas class was \$16,122,148,112, which is 10.74 percent of the state's total taxable value.

**TABLE 4** shows a recent history of assessed values for the oil and gas class.

TABLE 4

HISTORICAL VALUE OF OIL AND GAS CLASS			
Year	Value (Billions)	% Change from Prior Year	Class as % of Total
2009	\$11.9	54.5%	12.1%
2010	\$6.3	-47.3%	6.7%
2011	\$8.6	37.2%	9.8%
2012	\$9.7	13.6%	10.9%
2013	\$8.8	-9.9%	9.9%
2014	\$11.1	26.5%	12.1%
2015	\$13.3	20.1%	12.7%
2016	\$8.2	-38.2%	8.1%
2017	\$7.5	-8.9%	6.7%
2018	\$10.2	35.3%	8.8%
2019	\$13.8	35.8%	10.2%
2020	\$12.5	-9.5%	9.2%
2021	\$8.0	-36.0%	5.6%
2022	\$16.1	102.0%	10.7%

**TABLE 5** shows the counties ranked in order from highest to lowest in terms of total value in the oil and gas class of property. The table also gives information about the value changes in this property class by county from 2021 to 2022.

TABLE 5

2022 COUNTIES RANKED BY TOTAL VALUE OF OIL & GAS CLASS

## **Other Production Classes**

As with oil and gas, most of the value of real property classified as natural resources and producing mines is calculated as a percentage of the income obtained from selling the product. The natural resources class includes properties that produce coal, sand, and gravel. It also includes non-producing patented mining claims and severed mineral interests. All counties, except the City and County of Denver, have natural resource property, but the class comprises only 0.21 percent of the state's total assessed value.

Although similar in total value, the great majority of the producing mines value is associated with only two mines: The Henderson and Climax mines, both located in three counties. According to the USGS, molybdenum ore was produced as a primary product at only two mines; both of which are located in Colorado. They include the Henderson and Climax mines. Both mines produce high-purity, chemical-grade molybdenum concentrates.

The Climax mine is an open-pit mine and is located approximately 13 miles northeast of Leadville. It is a porphyry molybdenum deposit with molybdenite as the primary sulfide mineral. According to an article published in the Summit Daily, Climax began production in 1918. The mine initially ceased operations after WWI due to a reduction in demand. Throughout the years, mining operations have been intermittent. Most recently, the mine was restarted in May of 2012 after an eleven-year period of low production, care, and maintenance of the site.

The Henderson mine is an underground mine located in Clear Creek County on the east side of the Continental Divide. The mill site is located on the west side of the Continental Divide 15 miles from the mine in Grand County. It is the world's largest primary producer of molybdenum.

The mine has been in operation since 1976. It consists of a large block-cave underground mining complex that feeds a 32,000 metric ton-per-day concentrator that is located approximately 42 miles west of Denver. The mine and the mill are connected by the world's longest conveyor of its kind; a fifteen-mile elevated belt that passes underneath the Continental Divide carries the ore through an old train tunnel and then above ground to the ore processing mill near Parshall, where it is then treated and shipped to another plant for further processing. The Henderson molybdenum production totaled approximately 3.9 million tons in 2022, down approximately 0.3 million tons from the 2021 total of 4.2 million tons.

The third county with a substantial value in the natural resources class is Teller County. According to preliminary data obtained by the U.S. Geological Survey's National Minerals Information Center, starting in 2015 Colorado has ranked 3rd in U.S. gold production behind Nevada and Alaska. The gold production coming from the Cresson Mine moved Colorado ahead of Utah in recent years in the ranking for production. This mine is Teller County's primary mine and is located between the towns of Victor and Cripple Creek. For 2022, the USGS reported an approximately 9 percent decrease in domestic gold mine production, which was attributed to decreases in production from mines in Nevada and Alaska.

The value of mining operations in Colorado is sensitive to changes in commodity prices, owners' business choices, and decisions rendered on property tax appeals. According to the United States Geological Survey, domestic gold mine production in 2022 was estimated to be about 170 tons. The average price of gold essentially remained the same for 2022 at \$1,800 per troy ounce, down just one dollar from \$1,801 per troy ounce listed the prior year.

## **Agricultural Property**

The value established for agricultural land is based on a 10-year average of the earning or productive capacity of the land regardless of the property's market value or its highest and best use. As a result, the actual values of agricultural property are often much lower than their market values, and they tend to be relatively stable from year to year. The agricultural property class decreased approximately 6.8 percent in 2022.

## **State Assessed Property**

Unlike most other classes, property classified as state assessed is valued annually by the Division using unitary valuation procedures. The state assessed property class is comprised of real and personal property that is owned or leased by public utilities as defined by article 4 of title 39 of the Colorado Revised Statutes. By far the largest portion of this value is attributable to personal property. The State Assessed Section of the Division values each company and allocates a portion of the value to Colorado. That value is then apportioned to the appropriate counties based on the location of the company's operating property or business activity. The county assessor then distributes the value to the appropriate tax areas throughout the county.

Information reported in the county abstracts of assessment for this class of property indicated an increase in assessed value of approximately \$372 million, or about 4.57 percent. Overall, this class makes up 5.68 percent of the total assessed value of the state.

## **Personal Property in 2022**

In 2022, personal property accounted for 11.68 percent of Colorado's property tax base, but that percentage varied substantially from county to county. Approximately 44.41 percent of personal property is classified as state assessed while the remainder is valued at the local level. In 2022, 91.33 percent of the state assessed property value was for personal property. All taxable personal property is assessed at 29 percent of its actual value.

Under the Colorado Constitution and statutes, certain categories of business personal property are exempt from taxation, including equipment used for agricultural purposes, inventory, and supplies held for consumption.

Prior to January 1, 2009, business personal property under common ownership with a total actual value of no more than \$2,500 per county was also exempt. With subsequent legislation, the amount of actual value subject to the exemption increased according to the following schedule:

- Four thousand dollars (\$4,000) or less for property tax years 2009 and 2010.
- Five thousand five-hundred (\$5,500) or less for property tax years 2011 and 2012.
- Seven thousand dollars (\$7,000) or less for property tax years 2013 and 2014.
- Seven thousand three hundred dollars (\$7,300) or less for property tax years 2015 and 2016.
- Seven thousand four hundred dollars (\$7,400) or less for property tax years 2017 and 2018.
- Seven thousand seven hundred dollars (\$7,700) or less for property tax years 2019 and 2020.

House Bill 21-1312 increased the personal property threshold exemption and sets up a mechanism for reimbursing taxing jurisdictions for the loss of property tax revenue due to this exemption. For the 2021 and 2022 tax years, the exemption threshold is raised from \$7,900 or less to \$50,000 or less in total actual value. Following the above established practice, this amount will be adjusted biennially by the Property Tax Administrator to account for inflation.

For the 2021 tax year, each assessor calculated the total value of the additional personal property exempted forming the "baseline exemption total" for a county or local governmental entity. The treasurer then calculates the tax revenues lost by each local entity.

Beginning with the 2022 tax year, assessors must calculate the adjusted total value of the additional personal property exempted by taking the baseline exemption amount adjusted by the growth factor which is the total statewide percentage change in personal property values as calculated by the Administrator. The county treasurers report to the Administrator the calculated lost revenue and the state treasurer issues a warrant to reimburse that amount by April 15.

In addition, a provision in the Colorado Constitution allows any taxing entity to “enact cumulative uniform exemptions and credits to reduce or end business personal property taxes,” § 20(8)(b), art. X, COLO. CONST.

**TABLE 6** lists the state assessed, locally assessed, and total taxable personal and real property by county.

TABLE 6

DISTRIBUTION OF THE VALUE OF PERSONAL PROPERTY BY COUNTY IN 2022

## RESIDENTIAL ASSESSMENT RATES

The General Assembly referred Senate Concurrent Resolution 20-001 to a vote of the people of Colorado, which passed as Amendment B in November of 2020. It eliminates most of the language in § 3(1)(b), article X, of the Colorado Constitution, commonly referred to as the Gallagher amendment. Eliminating this language eliminates Colorado's variable residential assessment rate which was to be adjusted every two years to stabilize the contribution amount of assessed value from residential properties as compared to all other property classes.

The language that established 29% as the assessment rate for most other classes of property was also removed from the constitution. Consequently, all assessment rates are now established solely through statute.

The statutory language that directed the Property Tax Administrator to conduct a study biennially to determine the residential assessment rate in conformance with the Gallagher amendment was removed by Senate Bill 20-223. Though technically not binding on future legislatures, that legislation also placed a moratorium on changing the statutorily established assessment rates in place at the time of Amendment B's passage. The moratorium was subsequently repealed with Senate Bill 21-293, which established a classification and future assessment rate for "multi-family residential real property," Agricultural property and renewable energy property. It also established a separate assessment rate for lodging property, which was contingent upon the passage of Proposition 120 on the November 2021 ballot. That proposition failed; consequently, lodging property continues to have a 29% assessment rate.

The assessment rate for residential real property for the tax year commencing January 1, 2021 was 7.15%. All other types of property assessment rates remain unchanged for the 2021 tax year. For tax year 2022, residential property classified as multi-family has a new assessment rate of 6.80% and all other residential property was assessed at 6.95%.

**TABLE 7** illustrates the statewide actual values and distribution of residential values since 1983. The percentage of actual value attributable to residential property has increased dramatically starting at 53.20 percent in 1983 and increasing to 80.55 percent in 2022.

TABLE 7

COLORADO ACTUAL VALUES 1983-2022

Year	Actual Values			Year	Distribution of Value		
	Total	Residential	Non-Residential		Total	Residential	Non-Residential
1983	\$66,459,485,820	\$35,356,909,524	\$31,102,576,296	1983	100.00%	53.20%	46.80%

## **PROTESTS, APPEALS, AND ABATEMENTS**

### **Protests and Appeals**

Colorado statutes mandate a process that allows taxpayers the opportunity to challenge the actual value established for their property. The process begins with the taxpayer's protest to the assessor. Upon receiving a protest, the assessor reviews the issues raised, and either adjusts or maintains the actual value for the property. Taxpayers who disagree with the assessor's decision can appeal to the county board of equalization. Taxpayers who disagree with the county board's decision have three choices for further appeal. They can appeal to the State Board of Assessment Appeals, district court, or binding arbitration. Decisions of the BAA and district court can be appealed to the Colorado Court of Appeals and ultimately to the Colorado Supreme Court. Decisions of an arbitrator are final.

Taxpayers can protest and appeal in either year of the reassessment cycle, the first year or odd-numbered year or the intervening year or even-numbered year. However, the number of protests and appeals are typically higher during the first year of the reassessment cycle.

The number of protests and appeals vary greatly from county to county. In 2021, Larimer County received the greatest number of protests to the assessor with 10,609 while Sedgwick County received none. For many counties, the protest process places a significant strain on the resources of the assessor's office.

**NOTE: Protest and appeal information is only collected in years of revaluation.**

**TABLE 8** lists the protests and county board of equalization appeals for each county during the first year of the last three reassessment cycles, organized according to the county officer pay categories established in § 30-2-102, C.R.S. For the purpose of this table, the Cities and Counties of Denver and Broomfield are placed in category one.

**TABLE 9** provides a statewide statistical summary of protests and appeals.

### **Abatements**

An abatement of tax is a cancellation or reduction of tax owed by the taxpayer. Abatements may be granted after the tax roll has been printed for an "erroneous valuation for assessment, irregularity in levying, clerical error, or overvaluation," § 39-10-114(1)(a)(I)(A), C.R.S. Abatement petitions may be approved only if they are filed within two years after January 1 of the year following the year in which the taxes were levied. Because abatement petitions are filed on taxes already levied, the abated or refunded taxes constitute lost revenue to the affected local governments. However, local governments are able to recover the amounts of abated taxes through an increase in mill levies under § 39-10-114(1)(a)(I)(B), C.R.S., and case law.

**TABLE 10** displays the taxes abated and written off for tax years 2020, 2021, and 2022.

## **SENIOR CITIZEN AND DISABLED VETERAN EXEMPTIONS**

In 2000, voters enacted section 3.5, article X of the Colorado Constitution, creating a property tax exemption for qualifying senior citizens and their surviving spouses. Voters expanded the program in 2006 to include qualifying disabled veterans. Effective 2015, legislation expanded the disabled veteran exemption to include the surviving spouse of a prequalified disabled veteran. For both groups, the exemptions as enacted reduce the first \$200,000 of taxable actual value of a residential property by 50 percent, up to a maximum reduction of \$100,000. The reduction in property tax revenue to local governments is reimbursed by the state treasurer.

The Colorado Constitution grants the Colorado General Assembly the authority to raise or lower the maximum amount of actual value of residential real property of which fifty percent shall be exempt for the senior citizen and disabled veteran exemptions. For tax years 2003, 2004, 2005, 2009, 2010, and 2011, the General Assembly enacted legislation to reduce the amount of the senior citizen exemption to 50 percent of \$0, effectively suspending the senior citizen exemption benefit. The disabled veteran exemptions benefit was not suspended for property tax years 2009, 2010, or 2011.

To qualify for the senior citizen exemption, a senior must be at least 65 years old on January 1 of the year in which he or she applies, must have owned, and occupied the property for at least 10 consecutive years as his or her primary residence. To qualify for the disabled veteran exemption, a veteran must have sustained a service-connected disability that has been rated by the U.S. Department of Veterans Affairs as 100 percent permanent disability through disability retirement benefits pursuant to a law or regulation administered by the Department, the U.S. Department of Homeland Security, or the Department of the Army, Navy, or Air Force. The veteran must have also owned and occupied the property since January 1 of the year the application is filed.

Applications for the senior citizen exemption are filed with the county assessor no later than July 15, and applications for the disabled veteran exemption are filed with the Colorado Division of Veterans Affairs, Department of Military, and Veterans Affairs (DMVA), no later than July 1. If approved by the DMVA, the veteran's application is forwarded to the county assessor for further processing and approval. The application for the surviving spouse of the prequalified disabled veteran is filed with the county assessor where the previously qualified property is located, no later than July 1. Once approved, the senior citizen or disabled veteran, or surviving spouse of the previously qualified disabled veteran exemption remains in effect from year to year until a change in ownership or occupancy triggers its removal. Each year, the treasurer and the assessor are required to mail a notice to all residential property owners explaining the exemption programs.

No later than September 10, the assessor is required to send the Division of Property Taxation an electronic list of the exemptions granted, including the names and social security numbers of each person occupying the property. The Division uses the data to identify individuals who were granted an exemption on more than one property in the state and denies the exemptions on each property. In 2022, the Division denied exemptions on 48 of these properties and an additional 130 were denied for applicants who no longer resided at the property. In 2022, 269,454 properties were approved for the senior citizen exemption, and 10,266 properties received the disabled veteran exemption. Since 2016, the Division has cross-referenced the applicants for an exemption with the state's vital statistics registrar to determine if individuals who applied were deceased. In 2022, the Division revoked 9,820 exemptions after determining the applicant passed away in a previous year.

The senior citizen and disabled veteran exemption programs do not result in a loss of revenue to local governments. Instead, the state reimburses the local governments for the tax revenue exempted. No later than April 1, county treasurers send the state treasurer an itemized list of the exemptions granted and taxes exempted. No later than April 15, the state treasurer reimburses the local governments for the lost revenue. In April of 2023, the state treasurer reimbursed local governments \$157,334,293.00 for senior citizen property tax exemptions granted and \$6,343,655.32 for disabled veteran exemptions granted for tax year 2022.

**TABLE 11** shows the total number of exemptions granted for both programs as well as the amount of tax reimbursed by the state treasurer over the past decade.

TABLE 11

TOTAL NUMBERS OF EXEMPTIONS GRANTED AND TAXES EXEMPTED FOR SENIOR CITIZENS AND DISABLED VETERANS IN PAST DECADE

## **POSSESSORY INTERESTS**

In 2001, the Colorado Supreme Court ruled that certain possessory interests are subject to ad valorem taxation in Colorado. A possessory interest is defined as a private property interest in government-owned property, or the right to the occupancy and use of any benefit in government-owned property that has been granted under lease, permit, license, concession, contract, or other agreement. The use of the property must be in connection with a business conducted for profit.

Taxable possessory interests may include but are not limited to the following:

- Private concessionaires utilizing government owned land, improvements, or personal property unless operating pursuant to a management contract
- Government land and improvements used in the operation of a farm or ranch
- Government land, improvements, and/or personal property used in the operation of ski or recreational areas
- Land underlying privately owned cabins or other residential property located on government land that is rented commercially
- Recreational use of lakes, reservoirs, and rivers in a revenue-generating capacity
- Land, improvements, and personal property at a tax-exempt airport
- Other government property leased to private parties. However, the property may be otherwise exempt pursuant to Colorado Revised Statutes

## HOUSE BILL SUMMARIES

### HB22-1006

#### Child Care Center Property Tax Exemption

Under the current version of § 39-3-110, C.R.S., a charitable childcare center must be both owned AND used solely and exclusively for qualifying purposes, and not for private gain or corporate profit, to be exempt from property tax.

Beginning with the 2023 property tax year, the bill repeals the ownership requirement, and the requirement that the property be irrevocably dedicated to a charitable purpose. The bill adds new language providing that only the operator's use is to be considered for determining exemption if the operator is different from the owner. The bill also amends § 39-2-117, C.R.S., to provide that the operator must also sign the application form and provide any other information as requested by the Property Tax Administrator.

Signed by Governor Jared Polis: June 1, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

### HB22-1041

#### Privacy Protections for Protected Persons

Current law states that the personal information for protected persons, and their immediate

family, may be removed from the internet and any publicly accessed databases if the information's dissemination poses an imminent and serious threat, § 18-9-313(2.7) C.R.S.

Protected person means a human services worker, a public health worker, a judge, a peace officer, a prosecutor, a public defender, or a public safety worker.

This bill expands the definition of a protected person to include a child representative, a health-care worker, an officer or agent of the state bureau of animal protection, an animal control officer, and an office of the respondent's parents' counsel, staff member or contractor.

Signed by Governor Jared Polis: March 24, 2022  
Effective Date: Upon Signature

Effective Property Tax Year: 2022

### **HB22-1205 Senior Housing Income Tax Credit**

This bill creates an income-based refundable income tax credit for qualifying senior citizens. The program is administered through the Department of Revenue, commencing income tax year January 1, 2022. This income tax credit is available for qualifying seniors who have not claimed a homestead property tax exemption.

Signed by Governor Jared Polis: June 8, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: Per bill language this is for income tax year 2022

### **HB22-1223 Mobile Home Property Tax Sales Notice and Exemption**

This bill makes two changes to property taxation regulations regarding mobile homes and manufactured homes.

The bill exempts any titled mobile home or titled manufactured home with an actual value equal to or less than \$28,000 from property taxation. The exemption is for tax years commencing on or after January 1, 2022.

The bill also revises the guidelines for notification of tax lien sales for mobile and manufactured homes. Treasurers are no longer required to include mobile and manufactured homes on the public newspaper announcements if:

The owner or their personal representative have been served a distraint warrant on the home.

The mobile home or manufactured home is listed on a tax lien sales list on the treasurer's website.

Signed by Governor Jared Polis: June 2, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2022

**HB22-1242**  
**Regulate Tiny Homes Manufacture Sale and Install**

This bill adds “tiny houses,” which have received an installation insignia from the Division of Housing, to the definition of “residential improvements.” The Division of Housing shall implement rules establishing standards for the manufacturing of tiny houses by July 1, 2023. Assessors will discover, list, classify and value tiny homes that meet the statutory definition as added to § 39-1-102(16.3), C.R.S.

Signed by Governor Jared Polis: May 17, 2022  
Effective Date: August 10, 2022  
  
Effective Property Tax Year: 2024

**HB22-1261**  
**Sunset Board of Real Estate Appraisers**

This bill continues the board of real estate appraisers' regulatory authority over real estate appraisers and Appraisal Management Companies for 9 more years, and implements additional recommendations made by the department of regulatory agencies as contained in the sunset review.  
  
Amends statute to comply with federal law, including updating licensing qualification and continuing education language to align with the appraisal qualifications and experience requirements established by the Appraiser Qualifications Board of the Appraisal Foundation.

Signed by Governor Jared Polis: June 2, 2022  
Effective Date: August 10, 2022  
  
Effective Property Tax Year: 2022

**HB22-1273**  
**Protection for Elections Officials**

Current law states that the personal information of a protected person, and their immediate family, may be removed from the internet and any publicly accessed databases if the information's dissemination poses an imminent and serious threat, §18-9-313(2.7) C.R.S.  
  
This bill expands these protections to election workers.

Signed by Governor Jared Polis: June 2, 2022  
Effective Date: Upon signature  
  
Effective Property Tax Year: 2022

**HB22-1278**  
**Behavioral Health Administration**

This bill creates the Behavioral Health Administration (BHA), and gives any county, municipality, school district, or any other local taxing district the ability to enter into a contractual agreement with any provider licensed by the BHA for the purchase of behavioral health services. The board of county commissioners may levy a tax, not to exceed two mills, upon the real property only if the board submits the question of the levy to the electors at a general election and it is approved.

Signed by Governor Jared Polis: May 25, 2022  
Effective Date: Upon signature

Effective Property Tax Year: 2022

### **HB22-1287 Protections for Mobile Home Park Residents**

This bill expands the statutory protections of mobile home owners and residents in Mobile Home Parks, while also clarifying and expanding the Mobile Home Park Act Dispute Resolution and Enforcement Program.

Assessor's offices will need to review the details of Mobile Home Park sales. In addition to the standard sales confirmation procedures, appraisers need to be aware that any landlord who changes the use of the land comprising the park, must also compensate the displaced mobile home owner for the reasonable costs to relocate the mobile home, or submit a binding offer of the fair market value of the mobile home or an amount set in statute. This may also affect the sales prices of this property class.

Signed by Governor Jared Polis: May 26, 2022  
Effective Date: October 1, 2022

Effective Property Tax Year: 2022

### **HB22-1296 Residential Real Property Classification**

This bill defines "nursing homes" as residential property and adds the property type to the definition of "residential improvements". Under this definition, a "nursing home" does not have a length of stay requirement, is licensed by the Department of Public Health and Environment and meets the definition of a nursing care facility by Department of Public Health and Environment regulations. The bill specifies land and any improvements affixed to the land for the use of a nursing home are classified as residential.

This bill codifies what is outlined in ARL 2. It also indicates that if there are multiple uses, then only the improvements and land used for a nursing home should get the residential classification.

Signed by Governor Jared Polis: June 2, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

### **HB22-1301 Controlled Environmental Agricultural Facility as Agricultural Property**

The bill creates an improvement type known as a Controlled Environment Agricultural Facility (CEAF) that is classified and valued under the sub-class of "all other agricultural property". A CEAF is a non-residential structure used to grow food crops. The sole purpose of growing crops in a CEAF must be to obtain a monetary profit, and there is a requirement that the facility optimize hydroponics in the growing of the crops. Crops grown within a CEAF for human or livestock consumption are added to the statutory definition of "agricultural and livestock products". Hemp, but not marijuana, grown for human or livestock consumption is also a qualifying crop.

Personal property used in direct connection with the operation of a CEAF is added to the statutory definition of agricultural equipment and is exempt from property taxation for tax years 2023 through 2028. When submitting a personal property declaration, the owner of a CEAF is required to include an affidavit affirming the facility meets the classification requirements.

Signed by Governor Jared Polis: May 20, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

### **HB22-1391 Modifications to Severance Tax**

This bill changes the calculation of the ad valorem credit allowed against the state severance tax on oil and gas for taxable years beginning on, or after, January 1, 2025. To calculate the credit, 76.56% of the gross income attributed to the well for the current taxable year is multiplied by the total mill levy of the well's location that was certified in December of the previous calendar year.

In addition, the bill requires the executive directors of the OSPB, DOR, DNR, DOE, and DOLA to establish, and consult, a stakeholder group consisting of local governments and affected parties to develop a written implementation plan, and submit the plan to the JBC no later than January 15, 2024. The plan must make recommendations concerning the steps necessary to transition the legal responsibility of severance tax procedures from interest owners to operators, while maintaining revenue neutrality. The plan must also include requirements for electronic filing returns for severance taxes, and additional electronic data collection and data sharing opportunities between state and local governments.

The impact on county assessors will likely include participation in the stakeholder group and/or participation in electronic data collection and data sharing opportunities.

Signed by Governor Jared Polis: June 7, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

### **HB22-1392 Contaminated Land Income Tax & Property Tax Credit**

The bill amends § 39-3-112, C.R.S., allowing owners of affordable housing projects that qualify for state property tax exemptions under subsection (3)(c)(II)(A) or (3)(c)(IV)(A) to continue to qualify for an additional 15 years for a total of 30 years, matching the initial 30-year period where such projects may receive federal income tax credits.

Signed by Governor Jared Polis: June 7, 2022  
Effective Date: Upon signature

Effective Property Tax Year: 2022

### **HB22-1416 Property Tax Administrative Procedures**

The bill requires the Property Tax Administrator (PTA) to conduct a public hearing on potential changes to property tax materials prior to submitting those changes to review by the Statutory Advisory Committee. The PTA must maintain a distribution list of individuals

who wish to receive notice of this public hearing. The bill also allows interested parties to petition the PTA for changes to the property tax materials.

Section 3 of the bill requires the real property notice of value to include an estimate of the taxes, or an estimated range of the taxes, for the property. It also extends the protest deadline from June 1 to June 8. Notices of value must also include the following language: "If a property owner does not timely object to their property's valuation by June 8 under § 39-5-122, C.R.S., they may file a request for an abatement under § 39-10-114, C.R.S., by contacting the county assessor." For commercial real property, notices of value must also include the following language: "If you would like information about the approach used to value your property, please contact your county assessor."

In section 4, the bill requires the assessor to recommend that any error that impacts the valuation of a class or subclass of property discovered during an appeal be corrected by the county board of equalization.

Sections 5 and 6 affect the proceedings of the Board of Assessment Appeals (BAA). The bill allows an appeal concerning a rent-producing property to take precedence over other cases if certain conditions are met and a fee is paid. In addition, in an appeal before the BAA, the valuation of a property may not be adjusted to a value of more than 5% of the value set by the CBOE except as permitted by § 39-5-125, C.R.S.

Signed by Governor Jared Polis: May 16, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

## **HOUSE CONCURRENT RESOLUTION**

### **HCR22-1003**

#### **Extend Homestead Exemption to Gold Star Spouses**

This house concurrent resolution will add a question on the November 2022 ballot asking for voter approval to "extend eligibility for the disabled veteran property tax exemption to the surviving spouse of a United States Armed Forces service member who died in the line of duty or veteran whose death resulted from a service-related injury or disease as determined by the United States department of veterans affairs."

If passed by voters, this will take effect for the 2023 tax year.

Signed by Legislature: June 6, 2022  
Effective Date: Ballot question for November 8, 2022

Effective Property Tax Year: 2022 ballot question and 2023 implementation of resolution (if passed by voters)

## **SENATE BILL SUMMARIES**

### **SB22-026**

#### **Oil and Gas Operator Property Tax Procedures**

Current law requires the county assessor to send a notice of valuation to the operator of any oil and gas leaseholds or lands within the state, who filed a statement required under § 39-7-101, C.R.S., for taxable personal property.

Senate Bill 22-026 amends § 39-5-121(1.5)(b), C.R.S., to include real property, and adds § 39-7-110, C.R.S., defining an operator and designating the operator as the sole point of contact for valuation, notification, review, audit, protest, abatement or appeal procedures. It also prevents the separate valuation of the partial interests in real and personal property of oil and gas fractional interest owners.

This bill codifies existing county practice.

Signed by Governor Jared Polis: March 30, 2022  
Effective Date: Upon Signature

Effective Property Tax Year: 2022

### **SB22-051 Policies to Reduce Emissions from Built Environment**

For the purpose of a sales and use tax credit for eligible decarbonizing building materials. The purpose of the sales and use tax credit is to encourage businesses and individuals to purchase and use heat pump systems and heat pump water heaters rather than traditional heating and cooling methods in an effort to reduce greenhouse emissions within the state. Heat pump systems and heat pump water heaters are generally considered fixtures of a building and should be assessed as such. No property tax exemption or credit applies to this bill. The purchaser of such a product will receive a sales/use tax credit equal to 10% of the sales tax of each system on their income tax statement in the year the equipment is purchased.

Signed by Governor Jared Polis: June 2, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: Income tax credit between 1/1/2023 and 1/1/2025

### **SB22-086 Homestead Exemption and Consumer Debt Protection**

While not directly affecting the assessor's office, the office should be aware of this bill. Information may be found in ARL 2, Chapter 12.

Current law states that every homestead in the state is exempt from execution and attachment arising from any debt, contract, or civil obligation for a specific value. § 38-41-201, C.R.S.

This bill expands the definition of homestead to include real and personal property when used as a dwelling or place of residence. This bill increases the monetary limits exempted from seizure from \$75,000 to \$250,000 if an owner or an owner's family occupies the homestead as a home. The limits are increased from \$105,000 to \$350,000 if an owner who is elderly or disabled, or the owner's spouse who is elderly or disabled, occupies the homestead as a home, or an owner's dependent who is elderly or disabled.

Signed by Governor Jared Polis: April 7, 2022  
Effective Date: Upon Signature

Effective Property Tax Year: 2022

**SB22-118**  
**Encourage Geothermal Energy Use**

In an effort to reduce greenhouse gas emissions within Colorado, this bill encourages the use of geothermal energy sources as an alternative to carbon emission energy sources. The bill defines “Geothermal Energy System” as a system that uses geothermal energy for water heating or space heating or cooling in a single building, for space heating for more than one building through a pipeline network, or for electricity generation. The intent of this bill is to expressly include geothermal energy as a renewable energy resource that qualifying retail utilities may use to reduce greenhouse gas emissions and reach pollution reduction goals set forth in the greenhouse gas pollution reduction roadmap.

Section 40-2-127.5(a)(I), C.R.S., states a “Community Geothermal Garden” shall be assessed in the same manner as a “Community Solar Garden”. This means it must be near a community served by a qualifying retail utility provider, with the facility belonging to the subscribers to the community geothermal garden, and there must be at least ten subscribers. The owner of the community geothermal garden may be the qualifying retail utility provider, or other for-profit or nonprofit entity or organization.

A community geothermal garden constitutes retail distributed generation for purposes of a cooperative electric association’s compliance with the applicable renewable energy standard under § 40-2-124, C.R.S.

A community geothermal garden must have a nameplate rating of five megawatts or less, but the Public Utilities Commission may adopt rules allowing up to ten megawatts.

Subscribers and subscriptions for community geothermal gardens are the same as subscribers and subscriptions for community solar gardens.

As with community solar gardens, community geothermal gardens with a nameplate rating over two megawatts will be considered state assessed property.

Signed by Governor Jared Polis: June 3, 2022  
Effective Date: August 10, 2022

Effective Property Tax Year: 2023

**SB22-164**  
**Correction Property Tax Disclosure Information Metropolitan District**

Current law requires a disclosure of the estimated future property taxes for newly constructed residences within the boundaries of a metropolitan district in the form of a certificate from the assessor.

This bill corrects the office responsible for this certificate from assessor to treasurer.

Signed by Governor Jared Polis: May 6, 2022  
Effective Date: Upon Signature

Effective Property Tax Year: 2022

**SB22-171**  
**Privacy Protections for Educators**

Current law states that the personal information for protected persons, and their immediate family, may be removed from the internet and any publicly accessed databases if the information’s dissemination poses an imminent and serious threat, §18-9-313(2.7) C.R.S.

This bill expands the definition of a protected person to include educators.

Signed by Governor Jared Polis: May 26, 2022  
Effective Date: Upon Signature

Effective Property Tax Year: 2022

**SB22-220**  
**Property Tax Deferral Program**

SB22-220 modifies 39-3.5-101 et seq. by requiring the state treasurer, not the county treasurer, to administer the property tax deferral program. This legislation has no effect on the county assessor, but it does impose some minor changes to the procedures of the county clerk and recorder and the county treasurer. For more information, see ARL Volume 2, Chapter 12: TAX DEFERRAL

Signed by Governor Jared Polis: June 7, 2022  
Effective Date: Upon signature

Effective Property Tax Year: 2022

**SB22-238**  
**2023 and 2024 Property Tax**

Assessment rates for residential and non-residential properties are adjusted for 2023 and 2024 as follows:

Class or Subclass	2022 assessment rate	2023 assessment rate	2024 assessment rate
Residential (not multi-family)	6.95%	6.765%	Recommended by DPT to Legislature
Residential Multi-family	6.8%	6.765%	6.8%
Improved Commercial	29%	27.9%	29%
All other Non-residential	29%	27.9%	29%
Ag and Renewable Energy (Real and Personal)	26.4%	NO CHANGE	NO CHANGE
Personal Property	29%	27.9%	29%

Oil and Gas Leaseholds and Lands and Producing Mines real property are not impacted by this bill.

For 2023, the actual value of all residential real property will be reduced by the lesser of \$15,000, or an amount that reduces the valuation for assessment to \$1,000.

For 2023, the actual value of all improved commercial property will be reduced by the lesser of \$30,000, or an amount that reduces the valuation for assessment to \$1,000.

Assessors and Treasurers will collectively provide information for different reporting functions of the bill.

- The assessed value for 2023 as calculated for annual procedures
- The assessed value as if SB22-238 did not pass
  - $2023 \text{ actual value} \times 2022 \text{ assessment rates} = \text{assessed value required}$
- For counties with a population less than or equal to 300,000 the property tax loss for the county needs to be calculated
- For counties with a population of more than 300,000 and larger the property tax loss will need to be calculated for the county and the following specific districts; municipality, fire district, health service district, water district, sanitation district and library district. The reimbursement will then be:
  - 100% for each district with an assessed value increase of less than 10%
  - 90% for each district with an assessed value increase of greater than or equal to 10%

The Division will calculate the residential real property assessment rate, other than multi-family, for 2024. The calculation will be based on the revenue reduction to local governments from the passage of SB22-238 and the revenue reduction to local governments based on assessment rates for other property classes changing for 2024. These amounts will be used to calculate the residential rate in order for the aggregate decrease in local government tax revenue to be equal to \$700 million during 2023 and 2024.

The State Treasurer will issue a reimbursement warrant based on the values reported by the county and confirmed by the Division.

Signed by Governor Jared Polis: May 16, 2022  
Effective Date: Upon signature

Effective Property Tax Year: 2023 and 2024

# **Section VI**

## **Taxable Real and Personal Property Assessed by the Counties**

The listing of values reflect the Abstracts of Assessment for each county in the state. The Abstracts are filed with the Property Tax Administrator annually on August 25, § 39-5-123(1), C.R.S.

All values reflected are assessed values.

This page intentionally left blank.

**Vacant**

**Possessory Interest**

# **Section X**

## **Certification of Levies and Revenues by County**

The assessed values reflect those values existing in the counties on the date the levies are certified to the county commissioners, December 15. See: §§ 39-1-111(1), 39-1-111(5) and 39-5-125, C.R.S.

### **FOOTNOTES:**

- (A) Excess levy approved by Division of Local Government
- (B) Excess levy revenue voted at special election

NOTE: Special Assessments on the tax roll are no longer shown.

### **SCHOOL DISTRICT CODING:**

School districts entirely within a county:

Designated by the last position number of “0” or “5”.

Multi-county school districts:

Designated by the last position numbers of “1” through “4”. The administrative offices of the school district are located in the county designated by the code number “1”. The adjoining counties are listed by code numbers “2” through “4”, assigned to the counties alphabetically.

Questions regarding School District levies should be referred to the Department of Education, Office of Management Services.

**CERTIFICATION OF LEVIES AND REVENUES**

(1) Average will not add to the Total Average County Levy because denominators (Assessed Valuation) are not common to all.

(2) Municipal Revenues are divided by the sum of Municipal Assessed Valuation.

(3) Special District Revenues are divided by the sum of Special District Assessed Valuation.

\* These figures include tax increment valuation and all tax revenues attributable to the increment are allocated to the increment
