What is the Senior Citizens Real Estate Tax Deferral?

The Senior Citizens Real Estate Tax Deferral Act, 320 ILCS 30/1, *et seq.*, allows qualified senior citizens to elect to defer all or part of the property taxes and special assessments on their principal residences. The principal residence is the homestead portion of the property and is the only portion of the property for which you can apply for deferral of taxes. The property taxes and special assessments do not become due until after the death of the property owner or when the real estate is sold or no longer qualifies. A lien is placed on the property and interest is assessed at six percent simple interest rate per year.
