SUMMARY OF MAJOR STATE FUNDING DISBURSED TO MUNICIPALITIES AND COUNTIES

This report summarizes the major state funding disbursed to municipalities and counties. These disbursements represent a substantial portion of the State’s budget and significantly affect local government budgets as well. The State’s support of municipal and county functions through these disbursements has a major impact on the amount of local property taxes assessed on Maine taxpayers to support municipal and county government.

This report captures state funds, including bond proceeds, paid directly to municipalities and counties or paid on their behalf for a local governmental purpose. All major direct-disbursement programs/items are reflected, such as General Purpose Aid for Local Schools and State-Municipal Revenue Sharing, as well as certain indirect expenditures, most notably, Teachers’ Retirement, which is paid 100% by the State. Local school units would otherwise make these payments to the retirement system for the “employer share” of teacher retirement costs. The amounts in this report do not include federal funds that pass through state agencies to local units of government and do not reflect any benefit that local units might receive from the sales tax and fuel tax exemptions for local governmental purchases. The summary data in this report do not include amounts the State pays to individuals and businesses as reimbursement for local property taxes. Appendix A summarizes those expenditures separately.

The extent of the State’s financial support of local governments is best illustrated when the data are expressed as a percentage of state revenue (see the graph on page 3). For the fiscal year ending June 30, 2009 (FY 2009), disbursements to municipalities and counties from the General Fund represented 42.9% of total General Fund revenue. This percentage increases to 45.5% if State-Municipal Revenue Sharing expenditures are included as General Fund expenditures and the revenue set aside for revenue sharing is added back to General Fund revenue. When all state disbursements to municipalities and counties, excluding bond expenditures, are compared to total state operating revenue (which, for the purposes of this analysis, excludes all federal funds, enterprise funds, internal services funds, trust funds and bond funds), the State disbursed 34.3% of its operating revenue back to municipalities and counties. The average annual percent increase in these disbursements from FY 1992 to FY 2011 was 3.1%. On an inflation-adjusted basis that upward trend was 0.7% annually.

- (1) State-Municipal Revenue Sharing, amounts distributed from the Local Government Fund or "Revenue Sharing I", distributes funds to municipalities based on relative tax burden as measured by population, property tax assessment and state valuation.
- (2) The Disproportionate Tax Burden Fund or "Revenue Sharing II" is established pursuant to 30-A MRSA, §5681 to provide additional support for municipalities experiencing a higher than average property tax burden.
- (3) The Fund for the Efficient Delivery of Local and Regional Services ("Efficiency Fund") is established in 30-A MRSA, §5681, sub-§3 & sub-§5-B. 2% of the amounts transferred to the Local Government Fund and the Disproportionate Tax Burden Fund are transferred monthly to the "Efficiency Fund" and distributed to municipalities demonstrating savings in the cost of delivering local and regional services. FY 2005 reflects amounts transferred from the Local Government Fund to the Department of Administrative and Financial Services for payments to municipalities achieving savings pursuant to PL 2003, c. 20, Part W.
- (4) The Passamaquoddy Sales Tax Fund, established in 36 MRSA, §1815, sets aside revenue attributable to sales occurring on the Passamaquoddy reservation at either Pleasant Point or Indian Township for distribution to the Passamaquoddy Tribe.
- (5) State-Municipal Revenue Sharing was suspended for 6 months in FY 1992 (January-June) to achieve approximately \$32.5 million in additional General Fund revenue. That suspension, however, was partially offset by a General Fund appropriation of \$14.4 million.
- (6) Amounts distributed in FY 2004 and FY 2005 from the Local Government Fund, Revenue Sharing I, include \$13,570,000 and \$9,600,000, respectively, that reflect transfers from the Highway Fund pursuant to PL 2003, c. 20, Part AAA to cover transportation costs incurred by specific municipalities.
- (7) Based on allocations enacted through 124th Legislature, 1st Regular Session.

(1) Prior to FY 1996, grants currently administered by the State Planning Office were formerly administered by the now defunct Maine Waste Management Agency.

(2) Prior to FY 2006, parks fee sharing represented 15% of income during a calendar year distributed to municipalities containing Bureau-owned properties. PL 2005, c. 457, Part F reduced the percentage from 15% to 7%. Amounts shown indicate the fiscal year in which the payment was made.

(3) Figures prior to FY 1992 may include small amounts of federal funds; amounts after that year have been adjusted to remove federal funds.

(4) Budgeted through 124th Legislature, 1st Regular Session.

(5) FY 2009's payment of \$9,087 was not made until FY 2010.

(1) Revenue collected in the Surcharge Fund is distributed to counties for costs associated with operations of the jails per PL 1987, c. 339 (4 MRSA, §1057). FY 2005 expenditures for the Surcharge Fund were below prior years due to technology conversion difficulties at the Traffic Violations Bureau.

(2) FY 1987 through FY 1998 represent reimbursement to counties for costs related to the support of certain prisoners at county correctional facilities, enacted by PL 1985, c. 821 (34-A MRSA, §1210). Fiscal year 1999 and beyond represents funding to the County Jail Prisoner Support and Community Corrections Fund, enacted by PL 1997, c. 753 (34-A MRSA, §1210-A).

(3) These amounts represent the salary and fringe benefits for state positions working in the eight prosecutorial districts. All other costs of the District Attorney's offices are funded by county funds. In the absence of this special arrangement, the salaries and fringe benefits of these state positions would also be supported by county funds.

(4) PL 1997, c. 750 established the Law Enforcement Agency Reimbursement Fund to provide reimbursement to municipal and county law enforcement officers for serving as court officers or witnesses. Prior to FY 1999, municipal law enforcement officers were reimbursed by the Judicial Department out of funds appropriated to the department from the General Fund; estimates are not available.

(5) These amounts represent tobacco fine revenue collected by the courts and issued to municipal law enforcement agencies as grants by the Maine Criminal Justice Academy to perform tobacco enforcement.
