Tips and Definitions

What is "Household Income"?

your federal adjusted gross income

most types of nontaxable income (see page 8)

your qualified retirement plan contribution, dependent, elderly or disabled subtraction (see page 10)

Your total household income might not be the same income listed on your income tax return.

Which Property Tax Statement Should I use? Homeowners

Use the **Statement of Property Taxes Payable in 2016** that you receive in March 2016 to complete your 2015 return. Do not use your 2015 tax statement or your Notice of Proposed Taxes to complete your return. If you file using the incorrect statements, it will delay your refund.

Do not include the Statement of Property Taxes Payable when you mail your paper return. Your property tax information will be provided by the county.

Renters

Your landlord is required to provide you a CRP, Certificate of Rent Paid, by January 31, 2016. If you rented more than one apartment during 2015, you must have a CRP for each apartment. If your landlord does not provide a CRP by March 1, 2016, call the department at 651-296-3781 or 1-800-652-9094 (toll free).

Your refund will be delayed if you do not include your CRP(s).

Avoid Common Errors

- Check your math before you send your return.
- Fully complete your return, checking all appropriate boxes.
- · Read each line carefully.
- Use black ink to enter the numbers inside the boxes. Do not highlight numbers.
- Print and use CAPITAL LETTERS when entering your name, your spouse's name, and current address.
- **Print your numbers.** Don't put a slash through the "0" (Ø) or "7" (₹).
- Use whole dollars. Round dollar amounts to the nearest dollar. For example: 129.49 becomes 129, and 129.50 becomes 130.
- Reporting a negative amount on line 1. If your federal adjusted gross income on line 1 is a negative amount, be sure to mark an X in the oval box provided on the line. Do not use parentheses or a minus sign to indicate a negative amount.
- **Do not write extra numbers, symbols, or notes** on your return, such as cents, dashes, decimal points, or dollar signs. Enclose any explanations on a separate sheet, unless you are instructed to write explanations on your return.
- **Do not staple or tape** anything to your return. Use a paperclip.

Getting Started

Renters: You must have a CRP, *Certificate of Rent Paid*, for each rental unit you lived in during 2015. You need this to calculate your refund. Your landlord is required by law to give you a completed 2015 CRP no later than January 31, 2016. Include it with your completed return.

If your landlord does not provide a CRP by March 1, 2016, call the department at 651-296-3781 or 1-800-652-9094 (toll free).

Your refund will be delayed or denied if you do not include your CRP(s).

Homeowners and Mobile Home Owners:

Nonhomestead classification. If the property is not classified as homestead on your property tax statement or you bought your home in 2015, you must apply for homestead status with your county assessor's office and have it approved on or before December 15, 2016. At the time you apply for homestead status, request a signed statement saying that your application has been approved. Include it with your Form M1PR.

Delinquent taxes. If you owe delinquent property taxes on your home you cannot file a return unless you pay or make arrangements with the county by August 15, 2017. Include a copy of your receipt or a signed confession of judgement statement from your county auditor or treasurer.

What if I move?

It is very important that you call us at 651-296-3781 or 1-800-652-9094 (toll free) to change your address. **Your refund will be delayed if you do not call us.**

What if a person died?

Only a surviving spouse or dependent can file a return on behalf of a deceased person.

Spouses:

If a person who is eligible for a property tax refund died in 2015:

- Apply for the refund using both your names
- Use your full year income
- Use deceased spouse's income up to the date of death

If the person died in 2016 before applying for the 2015 refund:

- Apply for the refund using both names
- Print DECD and the date of death after the decedent's name
- Enclose a copy of the death certificate with the return

Dependents (If there is no surviving spouse):

- Apply for the refund using the decedent's name
- Complete and enclose Form M23, Claim for a Refund Due a Deceased Taxpayer
- Enclose a copy of the death certificate with the return

If a person died after filing a return but prior to the check being issued, the refund can be paid only to the surviving spouse or dependent. If the check was issued and not cashed prior to death, it is considered part of the estate and can be paid to the personal representative.

What if my Property Tax or Income Changes?

File Form M1PRX, Amended Homestead Credit Refund (for Homeowners) and Renter Property Tax Refund, if any of the following situations happen after you have filed your return:

- · your household income changes,
- you receive a corrected CRP from your landlord,
- you receive a corrected statement from the county, or
- you need to correct a mistake on your original return.

Generally, you have until October 15, 2019 to file an amended 2015 property tax return.

If your refund is reduced as a result of the amended return, you must pay the difference. You will need to pay interest on the difference from the date you received your original refund. If your refund increases, you will receive a check for the increase plus interest.

Completing the Top of the Return

Name and Address

Use capital letters and black ink. Print your legal name, not a nickname. Enter only one address - your current home address OR your post of-fice box. If your current address is a foreign address, mark an X in the oval box to the left of your address.

Special Property Tax Refund

You may qualify for a special property tax refund. To determine if you qualify, complete lines 18 through 30, on the back of the return. For Special Property Tax Refund qualifications, see page 2.

The refund is 60 percent of the amount of tax paid that exceeds the 12 percent increase, up to \$1,000.

You may qualify for this special refund even if you do not qualify for the 2015 Homestead Credit Refund (for Homeowners).

If you are filing only for the special property tax refund, skip lines 1-10, 13 and 14. You must provide the county, property ID, and property taxes payable on line 11.

Line 19

New Improvements/Expired Exclusions

If you had new improvements or expired exclusions listed in the 2016 column of your Statement, you must complete Worksheet 3 on page 12 to determine line 19. The increase in your property tax from the value of the new improvements and/or expired exclusions cannot be used when computing the special refund, even if the net property tax increased by more than 12 percent.

The amount listed on your Statement for new improvements/expired exclusions may include construction of a new building, an addition or

an improvement to an existing home, and any expired exclusions due to "This Old House."

Line 22

Enter line 2 (2015 column) of your Statement of Property Taxes Payable in 2016. If there is no amount on line 2, use line 5 (2015 column) of the Statement of Property Taxes Payable in 2016.

If the entries for the prior year column are missing, the prior year property information is not comparable to the current year information. Contact your county and ask for a recalculation of the property taxes for the prior year based on the current year's classification or configuration. Include an explanation for the prior year calculation.

If you are applying for the special refund, you must enter an amount greater than zero on line 22 of the return.

Line 23

Enter the special refund amount from **line** 12 of your 2014 return. If the amount was changed by us, use the corrected amount. Leave line 23 blank if you did not receive a special refund on your 2014 return.

Special Situations

If you rented out part of your home or used it for business, complete **Worksheet 2 on page 12**. Compare the percentages you used for 2014 and 2015, and follow these instructions to determine amounts to enter on Schedule 1:

• If you used the same percentage for both years:

Line 18: Enter step 3 of Worksheet 2. Line 22: Enter step 3 of Worksheet 2 of the 2014 instruction booklet.

• If in 2015 you used a higher percentage for your home than you did in 2014:
Line 18: Multiply line 1 of your 2016 Statement of Property Taxes Payable by the percentage used as your home in 2014 (from step 2 of Worksheet 2 of the 2014 instruction booklet).

Line 22: Enter step 3 of Worksheet 2 of the 2014 instruction booklet.

• If in 2015 you used a lower percentage for your home than you did in 2014:

Line 18: Enter step 3 of Worksheet 2.

Line 22: Multiply line 2 of your 2016 Statement of Property Taxes Payable by the percentage used for your home in 2015 (from step 2 of Worksheet 2).

Line 23: Multiply line 12 of your 2014 return by the proportion your 2015 percentage used for your home is to the 2014 percentage used for your home.

To Request Direct Deposit of Your Refund

Direct deposit is the safest, fastest, and easiest way to get your tax refund.

If you want your refund to be directly deposited into your checking or savings account, enter the information on line 35.

If you close your account before your refund is issued, contact the department to cancel your direct deposit to reduce delays.

You can find your bank's routing number and account number on the bottom of your check.

"COOCOOOO :: 0000000 PO:"

□Bank's routing number □

Account number

The routing number must have nine digits.

The **account number** may contain up to 17 digits (both numbers and letters). If your account number contains less than 17 digits, enter the number starting with the first box on the left—leave out any hyphens, spaces, and symbols—and leave any unused boxes blank.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

You must use an account not associated with any foreign banks.

Note: To avoid a delay in your refund, request direct deposit into an account that you do not plan on closing before your refund is issued.

You are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

Special Property Tax Programs

Senior Citizens Property Tax Deferral Program

What is it?

The Senior Citizens Property Tax Deferral Program may allow you to postpone paying—or defer—a portion of your homestead property taxes, as well as special assessments.

If you are eligible and wish to participate in the program, you will need to pay no more than 3 percent of your household income (as stated on line 6 of the return) toward your property taxes on your homestead each year. The state will loan you the remaining amount—the deferred tax—and will pay it directly to your county.

You must pay the deferred tax plus interest back to the state. Also, when you apply for a homestead credit refund or when you are due a state income tax refund, your refund will be applied to your deferred property tax total. You will be notified when a refund is used to reduce the amount of your deferred tax.

If you participate, a tax lien will be placed on your property. You, or your heirs, will need to repay the deferred amount before you can transfer title of the property.

Eligibility Requirements

To participate in the program, you must meet **all** of the following requirements:

- You must be at least 65 or older. If you're married, one spouse must be at least age 65 and the other spouse at least 62.
- Your total household income may not exceed \$60,000.
- You, or your spouse if you are married, must have owned and occupied your homestead for the last 15 years. The homestead can be classified as residential or agricultural, or it may be part of a multi-unit building.
- There must be no state or federal tax liens or judgment liens on your property.
- The total unpaid balance of debts secured by mortgages and other liens against your property cannot exceed 75 percent of the estimated market value of your homestead.

If you qualify and wish to participate, you must apply by July 1 to defer a portion of the following year's property tax. Applications are available at www.revenue.state. mn.us or from your county auditor's office.

For questions related only to this program, call 651-556-4803.

Special Homestead Classification for certain persons who are blind or disabled

What is it?

The Special Homestead Classification (class 1b) provides a reduced property tax classification rate on the first \$50,000 of market value of a qualifying person's homestead.

Eligibility Requirements

To receive the special classification on the qualifying person's homestead, you must apply to your county assessor by October 1st for taxes payable the next year.

For this property tax classification, a qualifying individual is generally someone who is blind or permanently and totally disabled:

Blind: A person is considered blind if an eye doctor has determined their visual acuity does not exceed 20/200 or their field of vision is not more than 20 degrees.

Disabled: A person is considered permanently and totally disabled for purposes of this classification if they have a condition that is considered permanent in nature and totally prevents them from working. They must also receive payments from a qualifying agency because of their disability.

For more information:

- Go to www.revenue.state.mn.us and type **Class 1b** in the Search box, or
- Contact your county assessor.

Where's my refund?

We have updated our **Where's My Refund** system.

Go to www.revenue.state.mn.us after July 1 and type **Where's my refund** in the Search box to monitor the status of your refund.

With the new system, you can:

- See when we've received your return
- Follow your return through the process
- Get more information about your return in each step of the process
- See the actual date your refund was issued

When you use **Where's My Refund**, we ask for the exact amount of your refund in addition to your Social Security number and date of birth. You may also monitor the status of your refund by calling the department at 651-296-4444 or 1-800-657-3676 (toll free).
