New Jersey Property Tax Reimbursement ("Senior Freeze") Application (Form PTR-1)

Filing Deadline Extended to → September 15, 2014 ←

NOTE: Under the terms of the State Budget for FY 2015, only those applicants filing Form PTR-1 whose income for 2012 did not exceed \$82,880 and whose income for 2013 did not exceed \$70,000 (the original limit was \$84,289) will be eligible to receive reimbursements for 2013, provided they met all the other program requirements. Introduction

The Property Tax Reimbursement (“Senior Freeze”) Program reimburses senior citizens and disabled persons for property tax increases. For applicants who met **all** the eligibility requirements for 2012, and again for 2013, the amount of the 2013 reimbursement will be the difference between the amount of property taxes that were due and paid by the applicant for 2012 and the amount of property taxes that were due and paid for 2013, provided, of course, that the amount paid for 2013 was greater than the amount paid for 2012. For mobile home owners, property tax means 18% of the annual site fees paid to the owner of a mobile home park.

Homeowners and mobile home owners who are receiving homestead benefits and/or property tax credits or deductions may also receive the property tax reimbursement if they meet the eligibility requirements. However, the total of all property tax relief benefits that you receive for 2013 (property tax reimbursement, homestead benefit, property tax deduction for senior citizens/disabled persons, and property tax deduction for veterans) cannot exceed the amount of 2013 property taxes (or rent/site fees constituting property taxes) paid for your residence.

Impact of State Budget

Eligibility requirements, including income limits, and benefits available under the Senior Freeze Program are subject to change by the State Budget.

Any changes to the eligibility requirements and benefit amounts for 2013 property tax reimbursements will not be finalized until the completion of

the State Budget that must be adopted by July 1, 2014. This means that the requirements for a 2013 reimbursement, including the income limits, that are listed under “Qualifications” in these instructions may be changed by the State Budget.

For 2012 the State Budget limited reimbursement payments to certain applicants. Only those applicants filing Form PTR-1 whose 2011 income did not exceed \$80,000 and whose 2012 income did not exceed \$70,000 (the original limit was \$82,880) were eligible to receive reimbursement payments for 2012, provided they met all the other program requirements. The State Budget may apply similar limitations for 2013.

For updated information on changes to the Senior Freeze Program for 2013, check the Division of Taxation’s website at www.state.nj.us/treasury/taxation/ptr/index.shtml or call 1-800-323-4400.

If no personal representative has been appointed, the surviving spouse/civil union partner signs the application and writes "Filing as Surviving Spouse" or "Filing as Surviving Civil Union Partner" in the signature section. NOTE: Eligibility requirements, including income limits, and benefits available under this program are subject to change by the State Budget. Under New Jersey law, if you receive a property tax reimbursement that is larger than the amount for which you are eligible, you will be required to repay any excess you received. The amount you owe can be deducted from your property tax reimbursement, income tax refund or credit, or homestead benefit before a payment is issued.

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible. In addition,

the Division of Taxation is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and social security numbers of individuals who file a New Jersey tax return or property tax benefit application. This list will be used to avoid duplication of names on jury lists.

Completing the Application Name and Address

Place the peel-off label in the name and address section at the top of the application. You will find your preprinted name and address label inside the insert at the front of this booklet. **Do not use the mailing label if any of the information is inaccurate.** If the information on the preprinted label is incorrect or if you did not receive a preprinted label, print or type your name (last name first), complete address, and zip code in the spaces provided. Be sure to include your spouse's/civil union partner's name if your marital/civil union status as of December 31, 2013, was married/CU couple. Your reimbursement and next year's application will be sent to the address you provide.

Social Security Number

If your marital/civil union status as of December 31, 2013, was single, you must enter your social security number in the space provided on the application, one digit in each box (). Your social security number is not printed on your name and address label. If your status as of December 31, 2013, was married/CU couple, you must report both applicants' numbers in the order in which the names are listed on the application. If you were married or in a civil union but living apart from your spouse/civil union partner, and you did not have access to or receive support from their income, you are considered "Single" for purposes of the property tax reimbursement and you should enter only your social security number on the application.

If you (or your spouse/civil union partner) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for a social security number. If you are not eligible for a social security number, you must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). If

NOTE: If the local name of the place where you live is not listed, enter the code for the municipality where the property taxes were paid on your dwelling. If your status as of December 31, 2013, was married/CU couple, you must report both applicants' numbers in the order in which the names are listed on the application. If you were married or in a civil union but living apart from your spouse/civil union partner, and you did not have access to or receive support from their income, you are considered "Single" for purposes of the property tax reimbursement and you should enter only your social security number on Form PTR-1B.

Name and Address. Print or type your name (last name first) and complete address of the property for which you are claiming the reimbursement in the spaces provided. Also include your spouse's/civil union partner's name if filing jointly.

Mobile Home Park Site Number. Enter the mobile home park site number of the principal residence for which you are claiming the reimbursement in the space provided.

- A. Multiple Occupants.** Check "Yes" only if you occupied your mobile home with someone else (other than your spouse/civil union partner) and shared mobile home park site fees with them. For example, you live in your mobile home with your sister. If you (and your spouse/civil union partner) were the sole occupant(s), check "No."
- B. Percentage of Site Fees Paid.** Enter the share (percentage) of the site fees that you (and your spouse/civil union partner) paid. For example, if you and your sister live in your mobile home and you both pay one-half of the site fees, you must enter 50% as your share. If you (and your spouse/civil union partner) were the sole occupant(s), enter 100%.

Part II – To Be Completed by Mobile Home Park Owner or Manager

Enter the appropriate amounts for calendar years 2012 and 2013 as follows:

Line 1. Enter the amount of site fees due under the mobile home park agreement entered into with the resident(s).

Line 2. Enter the total amount of mobile home park site fees paid by, or on behalf of, the resident(s). Enter **only** amounts actually due and paid for each calendar year.

Compare Lines 1 and 2 for each calendar year.

- If Line 2 is equal to Line 1 for both years, complete the certification portion of Form PTR-1B.
- If Line 2 is **less than** Line 1 for either or both years, the applicant is not eligible for a property tax reimbursement. **Do not complete the certification portion of Form PTR-1B.**

Certification. Complete the certification portion of Form PTR-1B.

Part III – To Be Completed by Applicant

Line 3 - Total Site Fees Paid. Enter the total site fees paid for each calendar year by all residents who lived in the mobile home for which you are claiming a property tax reimbursement. (Enter amount from Part II, Line 2.)

Line 4 - Percentage of Site Fees Paid. Enter your share (percentage) of site fees paid from Part I, Line B for each calendar year. Enter this number as a decimal. For example, if you lived in your mobile home with your sister and you both paid 50% of the site fees, enter 0.50 on Line 4. If

you and your spouse/civil union partner were the sole occupant(s), enter 1.00.

Line 5 - Total Site Fees Paid by Applicant. Multiply the amount on Line 3 by the decimal on Line 4.

Line 6 - Total Property Taxes Paid by Applicant. Multiply the amount of site fees on Line 5 by 18% (0.18) and enter the result in the box at Line 6.

Multiple Owners. If you owned your home with someone other than your spouse/civil union partner, enter for each year the proportionate share of the property taxes for your percentage of ownership listed at Line 11b. The shares of ownership of the property are considered to be held equally by all owners. If the shares of ownership are not equal, enclose a copy of your deed or other documentation with your application showing your percentage of ownership. For example, you and your sister (who lives in another state) are co-owners of a home on which you pay all the property taxes. If the 2013 property taxes totaled \$6,000 and the 2012 property taxes totaled \$5,000, you must indicate at Line 11b that you owned 50% of the property, and you must enter \$3,000 ($\$6,000 \times 50\%$) on Line 13 and \$2,500 ($\$5,000 \times 50\%$) on Line 14. You are only eligible for a proportionate share of the reimbursement based on your percentage of ownership in the property. Your sister is not eligible for a reimbursement for this home because she does not live there.

Multiple Units. If your home consisted of more than one unit, enter for each year the proportionate share of the property taxes for the unit you occupied as your principal residence. For example, if the 2013 property taxes for your four-unit property totaled \$4,000 and the 2012 property taxes totaled \$3,800 and you indicated at Line 12b that you occupied 25% of the property (one unit), you must enter \$1,000 ($\$4,000 \times 25\%$) on Line 13 and \$950 ($\$3,800 \times 25\%$) on Line 14. You are only eligible for a proportionate share of the reimbursement based on the portion of the property that you occupied as your principal residence, even if you paid all of the property taxes.

Multi-Unit Property With Multiple Owners. If you answered "Yes" at both Lines 11a and 12a for 2012 or 2013, use the percentage of occupancy on Line 12b to calculate your proportionate share of property taxes.

MOBILE HOME OWNERS

Enter your property taxes due and paid on your principal residence in New Jersey for 2013 on Line 13, and for 2012 on Line 14. (For mobile home owners, property taxes are 18% of the

annual site fees due and paid to the owner of the mobile home park.) If you lived with someone (other than your spouse/civil union partner) and shared the site fees with them, use the percentage entered on Line 11b to calculate the proportionate share of the site fees paid by you (and your spouse/civil union partner). Multiply the amount of site fees for each year by 18% (0.18) and enter the result in the boxes at Lines 13 and 14. *If you enclose Form PTR-1B, you must enter on Lines 13 and 14 the property tax amounts for 2012 and 2013 from Part III, Line 6.*

Enter dollars and cents, one digit in each box (□). Do not use dollar signs or dashes. If you did not pay the full amount of site fees due for 2013 by December 31, 2013, or the full amount of site fees due for 2012 by December 31, 2012, you are not eligible for the reimbursement.

Important
You must enclose verification of 2012 and 2013 property taxes (or mobile home park site fees) due and paid with Form PTR-1. See page 3 for acceptable forms of proof.

Reimbursement Amount (Line 15)

Subtract Line 14 from Line 13 and enter the result on Line 15. Enter dollars and cents, one digit in each box (□). Do not use dollar signs or dashes. This is the amount of your 2013 property tax reimbursement.

If the amount on Line 15 is zero or less, **you are not eligible for a property tax reimbursement and you should not file this application.**

The total amount of all property tax relief benefits you receive for 2013 (property tax reimbursement, homestead benefit, property tax deduction for senior citizens/disabled persons, and property tax deduction for veterans) cannot exceed the total amount of property taxes or rent/site fees constituting property taxes paid for 2013 on your principal residence in New Jersey. (For this purpose,

2013 Form PTR-1 Instructions

18% of rent/site fees paid during the year is considered property taxes.) This limitation may affect the amount of your property tax reimbursement.

Check the Division of Taxation's website at www.state.nj.us/treasury/taxation/ptr/index.shtml or call 1-800-323-4400 for updated information. See "Impact of State Budget" on page 1.

Under New Jersey law, if you receive a property tax reimbursement that is larger than the amount for which you are eligible, you will be required to repay any excess you received. The amount you owe can be deducted from your property tax reimbursement, income tax refund or credit, or homestead benefit before a payment is issued.

Line 19a - Pensions, Annuities, and IRA Withdrawals

Pensions, annuities, and certain IRA withdrawals are taxable on the New Jersey return and must be reported on Line 19a, although the taxable amount may differ from the Federal amount. (See page 22 for information on Roth IRAs.)

All state and local government, teachers', and Federal pensions, and Keogh Plans are treated in the same manner as pensions from the private sector. Amounts received as "early retirement benefits" and amounts reported as pension on Schedule NJK-1, Partnership Return Form NJ-1065 are also taxable. Social Security and Railroad Retirement benefits are exempt from New Jersey income tax and should not be reported as pension income on Form NJ-1040. Pension payments received by reason of total and permanent disability are also exempt. However, if you retired before age 65 on a total and permanent disability pension and continue to receive pension payments after age 65, your disability pension is then treated as an ordinary pension. (See definition of "disabled" on page 15.)

If you are receiving a United States military pension or survivor's benefit payments, the military pension or survivor's benefit is exempt from New Jersey gross income tax regardless of your age or disability status. Do not include such payments on Form NJ-1040.

Military pensions are those resulting from service in the Army, Navy, Air Force, Marine Corps, or Coast Guard. This exemption does not apply to civil service pensions or annuities, even if the pension or annuity is based on credit for military service. Most military pensions and survivor's benefit payments are received from the U.S. Defense Finance and Accounting Service while a civil service annuity is received through the U.S. Office of Personnel Management.

Retirement plans (pensions, annuities, IRAs) are either noncontributory or contributory. A noncontributory plan is one to which you have not made contributions. A contributory plan is one to which

Worksheet A

1. Amount of pension you will receive during the first three years (36 months) from the date of the first payment 1. _____
2. Your contributions to the plan 2. _____
3. Subtract line 2 from line 1 3. _____
 - (a) If line 3 is "0" or more, *and* both you and your employer contributed to the plan, you may use the **Three-Year Rule Method**.
 - (b) If line 3 is less than "0," or your employer did not contribute to the plan, you must use the **General Rule Method**.

(Keep for your records)

you have made contributions, usually through payroll deductions. The amount you report on Line 19a will depend on whether or not you made contributions to the plan.

Noncontributory Plans. Amounts you receive from noncontributory plans are fully taxable. Enter on Line 19a the total amount of the pension or annuity from your 1099-R.

Contributory Plans (Other Than IRAs). The total value of your pension or annuity consists of your contributions, your employer's contributions (if any), and earnings. In general, your contributions to a pension or annuity were taxed when they were made and are not taxed by New Jersey when withdrawn (except for 401(k) Plans). Therefore, you must determine the taxable part of any distribution you receive. Use Worksheet A above to determine whether you should use the Three-Year Rule Method or the General Rule Method for your pension or annuity.

NOTE:

- ◆ If you received a distribution from a 401(k) Plan, see the section on 401(k) Plans on page 22 before continuing.
- ◆ The taxable amount of an IRA withdrawal must be determined by completing Worksheet C, IRA Withdrawals, on page 23. **Do not use Worksheet A or B for an IRA withdrawal.**

Three-Year Rule Method. If you will recover your contributions within three years from the date you receive the first payment from the plan, and both you **and** your employer contributed to the

plan, you may use the Three-Year Rule Method to determine your New Jersey taxable pension income. The Three-Year Rule allows you to exclude your pension and annuity payments from gross income until the payments you receive equal your contributions to the plan. Until that time, the amounts you receive, because they are considered your contributions, should not be reported as taxable income on Line 19a. However, these amounts must be included on Line 19b (see page 23). Once you have received (recovered) an amount equal to the amount you contributed, the payments you receive are fully taxable. Since the Three-Year Rule has been repealed for Federal income tax purposes, if you retired after July 1, 1986, the taxable amount of pension or annuity that you report on your New Jersey return when using this method will differ from the amount you report on your Federal return.

General Rule Method. If you will not recover your contributions within three years from the date you receive the first payment from the plan, or your employer did not contribute to the plan, you must use the General Rule Method to determine your New Jersey taxable pension income. From the first year you receive your pension and every year thereafter, part of your pension will be excludable (the amount that represents your contributions) and part will be taxable. Use Worksheet B on page 22 to determine the taxable amount as well as the amount to be excluded.

Complete Worksheet B the year in which you receive your first pension payment. Once calculated, use the percentage on

Appendix A

2013 Form NJ-1040 Instructions

line 3 to determine the taxable and excludable amounts year after year. You must recalculate the percentage only if your annual pension payments decrease.

Contributions to Plans Prior to Residence. Any contributions you made to a pension, annuity, or IRA prior to moving to New Jersey are treated in the same way as the contributions would have been treated had you resided in New Jersey at the time. Contributions to plans other than 401(k) Plans are considered to have been previously taxed. Use the appropriate method to determine the taxable and excludable amounts.

Lump-Sum Distributions and Rollovers. When a lump-sum distribution of the entire balance from a qualified employee pension, annuity, profit-sharing, or other plan is made, the amount received in excess of the contributions to the plan that have already been taxed must be included in your income in the year received. New Jersey has no provisions for income averaging of lump-sum distributions. Report the taxable amount of a lump-sum distribution on Line 19a and the excludable amount on Line 19b.

A lump-sum distribution from an IRA or a qualified employee pension or annuity plan which you roll over into an IRA or other eligible plan should not be reported as income on Line 19a or 19b if the

rollover qualifies for deferral for Federal income tax purposes. The amount rolled over (minus previously taxed contributions) is taxable later when it is withdrawn. As under Federal law, the rollover must be made within the 60-day period after distribution.

401(k) Plans. Beginning on January 1, 1984, New Jersey's treatment of 401(k) Plan contributions changed. After that date employee contributions to 401(k) Plans were no longer included in taxable wages when earned. If you made contributions to your 401(k) Plan prior to January 1, 1984, your distribution will be treated differently than if you made all of your contributions after this date.

- 1. All contributions made on or after January 1, 1984.** If all of your contributions to the 401(k) Plan were made on or after January 1, 1984, then your distributions from the plan are fully taxable unless your contributions exceeded the Federal limit.
- 2. Contributions made before January 1, 1984.** If you made contributions to the 401(k) Plan before January 1, 1984, or you made contributions beyond the Federal limit, calculate the taxable and excludable portions of your distributions from the plan using one of the methods described under contributory plans.

For more detailed information on reporting pension and annuity income on your New Jersey return, see Tax Topic Bulletin GIT-1, *Pensions and Annuities*.

IRAs. Your IRA consists of your contributions and earnings plus certain amounts, if any, rolled over from pension plans. In general, your contributions were taxed when they were made and are not taxed by New Jersey when withdrawn. If your contributions have been previously taxed, only the portion of your distribution that represents earnings is taxable.

Earnings credited to an IRA are not subject to tax until withdrawn. The interest, dividends and other earnings, as well as amounts which were tax-free rollovers, will become taxable when withdrawn. If the total amount in the IRA is withdrawn, the entire amount of the interest or accumulated gains becomes taxable in the year the withdrawal is made.

If, however, the withdrawal from an IRA is made over a period of years, the portion of the annual distribution that represents interest income and accumulated gains in the IRA is subject to tax. A distribution from a rollover IRA which is fully taxable for Federal income tax purposes may be treated differently for New Jersey purposes if your contributions were subject to New Jersey income tax when the contributions were made.

Use Worksheet C on page 23 to determine the taxable and excludable portions of your IRA withdrawal. Report the taxable amount of an IRA withdrawal on Line 19a. For multiple IRAs use a separate worksheet for each IRA.

For more detailed information on IRA withdrawals, see Tax Topic Bulletin GIT-2, *IRA Withdrawals*, or Technical Bulletin TB-44.

The Federal actuarial tables are contained in the Internal Revenue Service's Publication 939, *General Rule for Pensions and Annuities*. Contact the IRS for this publication. If life expectancy is not a factor under your plan, the expected return is found by totaling the amounts to be received.
