

Senior Freeze (Property Tax Reimbursement) Income Limits History

Below are the income limits for the Senior Freeze. ALL INCOME received during the year — with very few exceptions — must be taken into account when determining eligibility. This includes income that you do not have to report on your New Jersey Income Tax return such as Social Security benefits, disability benefits, and tax-exempt interest. (For more information, see the Income Standards.)

Tax Year	Status	Income Limits (combined income if married or in a civil union)	
		2017 Less than or equal to	2018 Less than or equal to
2018	Single or Married/CU Couple	\$87,268	\$89,013

¹The amount appropriated for property tax relief programs in the State Budget for FY 2019 affected income eligibility for 2017. Applicants were eligible for reimbursement payments only if their total income was \$70,000 or less (the original limit was \$87,268), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was \$87,268 or less did not receive a reimbursement but established eligibility for future years with their applications.

²The State Budgets for FYs 2017 and 2018 set the following qualifications for Senior Freeze payments: Applicants were eligible only if their total income was \$70,000 or less (the original limit was \$87,007), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was \$87,007 or less did not receive a reimbursement but established eligibility for future years with their applications.

³The amount appropriated for property tax relief programs in the State Budget for FY 2016 affected income eligibility for 2014. Applicants were eligible for reimbursement payments only if their total income was \$70,000 or less (the original limit was \$85,553), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was \$85,553 or less did not receive a reimbursement but established eligibility for future years with their applications.

⁴The amount appropriated for property tax relief programs in the State Budget for FY 2015 affected income eligibility for 2013. Applicants were eligible for reimbursement payments only if their total income was \$70,000 or less (the original limit was \$84,289), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was \$84,289 or less did not receive a reimbursement but established eligibility for future years with their applications.

⁵The amount appropriated for property tax relief programs in the State Budget for FY 2014 affected income eligibility for 2012. Applicants were eligible for reimbursement payments only if their total income was \$70,000 or less (the original income limit was \$82,880), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was \$82,880 or less did not receive a reimbursement but established eligibility for future years with their applications.

⁶The amount appropriated for property tax relief programs in the State Budget for FYs 2011–2013 affected income eligibility for 2009–2011. Applicants were eligible for reimbursement payments only if their total income was \$70,000 or less (the original income limit was \$80,000), and they met all the other program requirements. Eligible applicants whose income was over \$70,000 but was

\$80,000 or less did not receive a reimbursement but established eligibility for future years with their applications.

⁷Beginning with Tax Year 2007, partners in a civil union recognized under New Jersey law were given the same status as married couples. Civil union partners use the status "Married/CU Couple" and report combined income when applying for the property tax reimbursement.
