2. **Property Location Requirements:** Property must be located in New York City.
3. **Property Use Requirements:** In the case of housing development fund companies and limited-profit housing companies, property must be used for low-income housing (for a description of tenant income limits, see Chart ID, PHFL Article 2, 31, and Article 11, 576, 577-a). In addition, if the property is owned by a housing development fund company organized under PHFL Article 11 and the Bsns Corp L, the housing project must be operated entirely on a co-op basis. If the property is owned by a limited-profit housing company organized on a co-op basis, at least 80% of the housing project must be used for co-op housing.

Property owned by the Housing Assistance Corporation must be used for low- or moderate-income housing.

Property owned by the Housing New York Corporation must be used for low- or moderate-income housing (for a description of tenant income limits, see Chart ID, L. 1986, Ch. 32).

4. **Certification by State or Local Government:** None required
5. **Required Construction Start Date or Other Time Requirement:** None.

- 
- B. **LOCAL OPTION:** Yes – In the case of housing development fund companies and limited-profit housing companies, the City of New York may choose (1) whether or not to allow exemption for each project and (2) whether to allow exemption of all or part of the value authorized by state law. In addition, in the case of limited-profit housing companies, the city has the option to choose among alternative limits on the minimum amount of taxes to be paid (see Limitations on Exemption below).

\* Property acquired for rehabilitation purposes - local option may limit amount to part of total value of project; other property - local option may limit to part of the increase in assessed value over the value of the property at the time of acquisition by the housing company. In addition, minimum limits are set on the amount of taxes that must be paid. Either (1) general municipal school district taxes paid may not be less than 10% of the annual shelter rent or carrying charges of the project or (2) if agreed to by the city, general municipal and school district taxes may be (a) no less than the taxes payable in 1973 or (b) if the project was not occupied in 1973, no less than 10% of the annual shelter rent or carrying charges first established as the maximum that tenants may be charged. ("Shelter rent" equals the total rents received from occupants of a project minus the cost of providing electricity, gas, heat, and other utilities. Total rents may or may not include rent supplements and subsidies received from the federal government, the state, or a municipality on behalf of the occupants, but do not include interest reduction payments received under 201(a) of the Federal Housing and Urban Development Act of 1968. In the case of co-op projects, carrying charges, rather than shelter rent, apply).

\*\* Duration of the exemption is limited to the period during which the mortgage loans of the housing company are outstanding, but in no event for a period of more than 30 years.

\*\*\* If allowed by local option.
