Beginning with 2017 property tax credit checks, you can view and print the following information directly from our website:

- description (STAR or property tax relief)
- credit year
- check issue date
- property address
- property key
- amount

Before you begin, you'll need:

- your prior-year New York State income tax return (Form IT-201, IT-201-X, IT-203 or IT-203-X) filed for one of the **past** five tax years, and
- the *Total payments* amount from the return you use for verification.

To locate the *Total payments* you reported on your previously filed return, please refer to [Total payments](#).
