Instructions

General information

The Basic STAR exemption reduces the school tax liability for qualifying homeowners by exempting a portion of the value of their home from the school tax.

To qualify, the home must be:

- · owner-occupied, and
- the homeowners' primary residence.

The combined 2019 income of the owners and spouses who reside on the property must be less than or equal to \$250,000 **and** you must have had a STAR exemption on the same property for the 2015-2016 school year. If your income is more than \$250,000 but less than or equal to \$500,000, you may qualify for the STAR credit. Register at *www.tax.ny.gov/star*.

Who should use this form: You are not generally required to reapply annually for the exemption, but you must advise the assessor if the property is no longer your primary residence. You are required to reapply for the exemption if the ownership of the property has changed due to:

- marriage,
- divorce,
- surrender of interest by a co-owner,
- survivorship,
- trusts,
- · life estates,
- · name change(s).

Deadline: You must file the application and proof of income with your local assessor on or before the applicable *taxable status date*, which is generally March 1.

- In the Village of Bronxville it is January 1;
- · In Nassau County it is January 2;
- In Westchester towns it is either May 1 or June 1;
- · In cities, check with your assessor.

For further information, ask your local assessor. Visit our website or your locality's website to find your local assessor's contact information.

Do not file this form with the New York State Department of Taxation and Finance or the Office of Real Property Tax Services.

Application instructions

Print the name and mailing address of each person who **owns** and primarily resides in the property. (If the title to the property is in a trust or is held in a life estate, the trust beneficiaries or life tenants are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but the assessor will consider factors such as voting location, automobile registrations, and the length of time you occupy the property each year. The assessor may ask you to provide proof of residency and ownership.

You can find the parcel identification number on either the assessment roll or your tax bill.
