What is the Property Tax Deferral Loan Program (PTDL)?

The Wisconsin Legislature created the Property Tax Deferral Loan Program to help you if you have difficulty paying your property taxes. If you are age 65 or older or a qualified veteran, own your residence in Wisconsin, and meet certain other qualifications, you may apply to WHEDA for a loan of up to \$3,525 to pay your 2022 property taxes which are due in 2023. The loan principal and interest does not have to be repaid until you transfer ownership in your property or you no longer live in it. The interest rate is established by Wisconsin Statutes 234.625. The Statute states all loans shall bear interest at a rate equal to the prime lending rate as reported by the Federal Reserve Board, plus 1%. This year the rate is 7.25% and is fixed for the life of the loan. If you wish, you may pay back all or part of the loan at any time without penalty.

What is the interest rate for the 2022 PTDL program?

The interest rate this year is 7.25% and is fixed for the life of the loan.

A qualifying home includes:
 - a. A single family home.
 - b. A unit in a two, three or four unit dwelling.
 - c. A unit in a condominium or a cooperative.

DEFINITIONS, continued

6. **Total Household Income:** all income received by **all persons residing in your home**. This should include all income reportable for Wisconsin income tax purposes along with your social security benefits and other types of nontaxable income.
7. **Lien:** a claim on the property as security for a loan.
8. **Phone consultation**--a phone call from a WHEDA representative that will explain the program and make sure the applicant understands how the loan works, and how to contact us with any questions.

Are you eligible for a loan?

1. You must be at least 65 years of age or a qualified veteran on the date of application. Your spouse, if you are married, must qualify as a co-owner. (see #2)
2. All co-owners of your qualifying home must be:
 - a) At least 60 years of age on the date of application OR
 - b) Permanently disabled
3. You must own a qualifying home in Wisconsin and reside there more than 6 months of the preceding year. You are considered as living in your home even if you temporarily live in a health care facility such as a nursing home or hospital.
4. The amount of outstanding liens and judgments on your home, **not including** PTDL and/or WHEDA rehabilitation loans, may not exceed 33% of the lesser of the assessed value or appraised value of your home.
5. The amount of outstanding liens and judgments on your home, **including** PTDL and/or WHEDA rehabilitation loans, may not exceed 50% of the lesser of the assessed value or appraised value of your home.
6. Your total household income for 2022 cannot exceed \$20,000.
7. You must insure your home and permit WHEDA to be named as a lien holder on the Homeowners Hazard Insurance policy, and the Flood insurance policy, if applicable.
8. All outstanding tax liens and past due taxes must be satisfied prior to participating in the program.
9. An applicant who is **applying for the first time** must agree to have a phone consultation prior to funding. A WHEDA representative will contact the applicant after approval but before the applicant signs and returns the note and Federal Truth-in-Lending Disclosure. If an applicant wants to send these items back and hasn't received a phone call yet, they should contact WHEDA at 1-800-755-7835.
10. If you have a TRUST or LIFE ESTATE on your property you are not eligible for this program.

Can you apply for the total amount of your 2022 property tax bill?

Yes. You may apply for a loan for all or part of the 2022 property taxes payable in 2023 on the portion of your home used for personal purposes and on one acre of adjoining land. However, the maximum loan for 2022 property taxes is \$3,525. A loan for less than \$100 will not be made unless you can show that a financial hardship exists for you to pay the property taxes without a loan.

Example: Your Wisconsin residence is located on one acre or less of land. Your property taxes for 2022 payable in 2023 are \$3,900. You are eligible for a loan of \$3,525. However, if you wish to borrow \$1,000 and pay the remaining taxes yourself, you may apply for a loan of \$1,000.

Example: Your Wisconsin residence is located on one acre or less of land and is used 50% for personal purposes and 50% for business purposes. You are eligible for a loan on all the property taxes on your land, but only 50% of the property taxes on your home, subject to the \$3,525 limit.

NOTE: Delinquent taxes and charges prior to 2022 may not be part of your loan request.

What if your 2022 property taxes are subject to delinquent interest or penalties?

If such charges have been assessed or will be assessed as of the date your loan check is issued by WHEDA, you may then include those charges in your loan application. (Your total loan will still be limited to a maximum of \$3,525.) If you wish to avoid delinquent interest and penalties on your taxes, you should pay your taxes before the due date.

What if your ownership interest in the home is transferred to one or more co-owners?

A co-owner may then apply to WHEDA to assume your outstanding loans. Co-owners must apply for this assumption within thirty days after you cease to reside in the home or transfer your ownership interest in the home. The co-owner must live in the home to be eligible to assume your loan balance.

Can additional co-owners be added to the loan agreement?

Yes. WHEDA may agree to add additional co-owners to the loan agreement upon transfer of ownership interest if WHEDA determines the addition will not significantly increase the program's exposure to risk. The new co-owners must be at least 60 years old or be a permanently disabled spouse. WHEDA must be notified within thirty days of any transfer of ownership interest in the home.

If WHEDA does not accept a new co-owner into the program, it will not grant future loans on the home. Also, all of the outstanding loans may have to be repaid.

Can you repay the loan before it is due?

Yes. Even though periodic payments are not required, you may pay back part or all of your loans at any time. Any payments you make will be applied to accumulated interest first and then to principal on the loan, beginning with the oldest outstanding loan. If you wish to repay part or all of your loan, make your check or money order payable to "WHEDA" and mail it to:

Property Tax Deferral Loan Program
WHEDA
PO Box 1728
Madison WI 53701-1728

Be sure to include your name, address and telephone number in the correspondence.

When does the loan become due and payable?

1. When you sell your home or permanently move out, unless a co-owner is allowed to assume the loan.
2. When you die, if you were the sole owner of your home.
3. When you transfer your entire interest in the home to someone other than your spouse and/or co-owner. **This includes entering into a land contract or transfers in which you retain a life estate.**
4. When you cease to maintain the following eligibility requirements:
 - a. To insure the home during the period the loan is outstanding.
 - b. To limit all co-owners of the home to persons who qualify as a co-owner (see page 2).
5. When your home is condemned or involuntarily converted.
6. When you, your spouse, or a co-owner has made a false statement on the loan application.

How do you apply for a loan for 2022 property taxes?

Complete Forms PT and PT-1 including the check list items on page 12 in this booklet to determine if you are eligible for a loan. You, your spouse, and all co-owners must sign the application form and agree to the conditions printed on page 2 of Form PT. **These signatures must be notarized.** You will be required to send a cashier's check for the fees. You can find a Schedule of Fees on page 13 for the appropriate amount.

When and where do I apply for a loan under this program?

The deadline for applying for a loan under this program is June 30, 2023. You may apply for only one loan for each year so be sure to include the entire amount of the loan you are requesting on your application. Mail the completed items to:

Property Tax Deferral Loan Program
WHEDA
PO Box 1728
Madison WI 53701-1728

Make sure to include the following:

- Form PT (*The Application*) must be notarized
- Form PT-1
- Copy of Tax Bill
- Copy of Insurance Declaration page
- DD Form 214 (*For veterans only*)
- Cashier's check for the appropriate application fee made payable to WHEDA

Will the check be made payable to you or to you and your taxing authority?

If you submit a receipt showing that you paid your 2022 property taxes and all special assessments in full, the loan check will be made payable only to you.

If you do not send a receipt showing full payment, the loan check will be made payable to both you and your taxing authority.

Will you be asked to sign a promissory note?

Yes. If your loan application is approved, you, your spouse, and all co-owners will be required to sign a Promissory Note and a Federal Truth-in-Lending Disclosure.

How will a loan affect the amount of equity in my property?

To protect WHEDA's interest and ensure repayment of the loan at a later date, WHEDA must file a lien on the property. Like a mortgage, a lien reduces your equity in the property.

What if you or the co-owner is permanently disabled?

One owner must be at least 65 or a qualified veteran on the date of the application. All co-owners must be at least 60 years of age on the date of application or permanently disabled. A copy of the co-owners Social Security Disability awards letter must be provided to verify the disability.

Do you have to file a separate application for every year you wish to obtain a loan for your property taxes?

Yes. You must file a separate application and qualify each year you wish to obtain a loan. You will also be required to sign a Promissory Note and a Federal Truth-in-Lending Disclosure each year.

List the name, address, and telephone number, and the loan number of all institutions or individuals holding a lien, mortgage etc., on your home as of the date you submit your application. **Failure to completely fill this out will delay your loan request.** Include community development block grants and community development loans. Fill in the balance owed on each lien as of the date of your application. The amount of outstanding liens and judgments on your home, **including** PTDL may not exceed 50 percent of the lesser of the assessed value or appraised value of your home.

Line 11(h)

If your home is located in a designated flood plain, it must be covered by adequate flood insurance during the period the loan is outstanding and WHEDA must be named as a lienholder on the policy.
